

# SUMMER 2025 NEWSLETTER

## NORTH CENTRAL KANSAS

## A SUMMER OF SOWING AND WATERING

As I reflect on the summer months, I am praising God for the many doors that He has opened up for Kingdom work! Since I am now overseeing camp ministry across the state, I've been able to mentor staff through the process of launching and implementing camps in their area. I am reminded that when more people are involved in ministry work, more people get the blessing of seeing God's provision and power; and in turn, when people experience the hand of God, their trust in Him grows --- maturity in Jesus comes from dependency upon Jesus!

Praising God that as more staff and volunteers have gotten involved in camps, dependency upon God has grown and more souls have been impacted for eternity!

Highlighted below are some of the pictures from the 8 camps in our region. Please pray for all of those whom we got to serve over the summer; from the young campers, to the local coach and athlete volunteers. Pray that those who are lost would come to a saving faith in Jesus, and those who are saved would be built up in Him!

## CAMP IMPACT

At the beginning of the summer I looked back at our previous years camps to find some photos for marketing. I came across this picture from our first youth camp back in 2021.

At the bottom right of the picture ^^ is a young man named Jackson. Jackson was in Middle School at the time and attended as a camper. Today, Jackson is entering his senior year of High School. He got baptized last fall as his faith took off, and got to share his testimony with the young campers in July! His journey is why we do summer camps! Some sow and some water, but it's God who gives the growth! (1 Corinthians 3:6-7)

Here he is at one of our camps this summer - a lot older (and taller!) - helping one of the campers through drills!

To see more summer camp photos search “North Central Kansas FCA” on Facebook!

## SHRINE BOWL LUNCHEON

Back in June we had a great opportunity to host an FCA Luncheon for the Coaches and Players at the Shrine Bowl in Dodge City. This event gave us a chance to serve them in their environment, bring in a guest speaker to share the gospel with them, and get some FCA resources in their hands. It went so well that the director of the Shrine Bowl asked us to make it a yearly event – Praise God!!

## CAMPUS MINISTRY KICK-OFF

We’re currently transitioning into campus ministry when all of our “huddles” (campus Bible studies) will kick off. As we gear up for that, we like spending some time pouring into the student and adult leaders of those huddles. We’ve hosted two “Huddle Trainings” over the past week, where representatives from 8 different campuses have been with us to learn about Biblical leadership and begin planning out their first semester of FCA at their schools. Please pray with us that they would be the “faithful men” (and women) of 2 Timothy 2:2 who take the things that we’ve entrusted to them and go and teach others!
