5V CRIMP

SENTRY METALS LLC
ROOFING AND BUILDING CONTRACTORS
CCC1330124 CBC1267475

FEATURES

- Exposed fasteners for fast and easy installation
- Classic coastal Florida aesthetic
- Budget friendly

DESCRIPTION

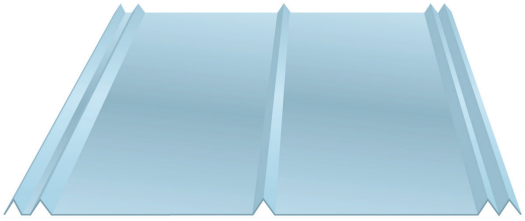

Our **5V Crimp** panel is our most economical metal roofing system. It uses exposed fasteners which makes installation fast and easy. This metal roof system is great to give your house that traditional “Old Florida” look!

PANELS MADE ON SITE

Our panels are made on site with our portable panel machine.
We make all of our own standard and custom roof trims locally at our shop.

AVAILABLE IN

24 gauge steel and 26 gauge steel with striations
