- ___ **Phoebus Parnassian** (*Parnassius phoebus*)
- ___ **Canadian Tiger Swallowtail** (*Papilio canadensis*)
- ___ **Old World Swallowtail** (*Papilio machaon*)

Sulphurs, Whites & Marbles

- ___ **Lively Clouded Sulphur** (*Colias vitabunda*)
- ___ **Giant Sulphur** (*Colias gigantea*)
- ___ **Hecla Sulphur** (*Colias hecla*)
- ___ **Booth's Sulphur** (*Colias boothii*)
- ___ **Labrador Sulphur** (*Colias nastes*)
- ___ **Palaeno Sulphur** (*Colias palaeno*)
- ___ **Large Marble** (*Euchloe ausonides*)
- ___ **Northern Marble** (*Euchloe creusa*)
- ___ **Western White** (*Pontia occidentalis*)
- ___ **Arctic White** (*Pieris angelika*)

Coppers & Blues

- ___ **Dorcas Copper** (*Tharsalea dorcas*)
- ___ **Western Tailed-Blue** (*Cupido amyntula*)
- ___ **Northern Azure** (*Celastrina lucia*)
- ___ **Silvery Blue** (*Glaucopsyche lygdamus*)
- ___ **Northern Blue** (*Plebejus idas*)
- ___ **Greenish Blue** (*Icaricia saepiolus*)
- ___ **Cranberry Blue** (*Agriades optilete*)
- ___ **Arctic Blue** (*Agriades glandon*)

Typical Brushfoots

- ___ **White Admiral** (*Limenitis arthemis*)
- ___ **Milbert's Tortoiseshell** (*Aglais milberti*)
- ___ **Mourning Cloak** (*Nymphalis antiopa*)
- ___ **Field Crescent** (*Phyciodes pulchella*)
- ___ **Hoary Comma** (*Polygonia gracilis*)
- ___ **Green Comma** (*Polygonia faunus*)

Brushfoots - Fritillaries

- ___ **Alaskan Fritillary** (*Boloria alaskensis*)
- ___ **Bog Fritillary** (*Boloria eunomia*)
- ___ **Silver-bordered Fritillary** (*Boloria myrina*)
- ___ **Frigga Fritillary** (*Boloria frigga*)
- ___ **Polaris Fritillary** (*Boloria polaris*)
- ___ **Freija Fritillary** (*Boloria freija*)
- ___ **Arctic Fritillary** (*Boloria chariclea*)
- ___ **Mormon Fritillary** (*Speyeria mormonia*)

Brushfoots - Alpines and Arctics

- ___ **Large Heath** (*Coenonympha tullia*)
- ___ **Disa Alpine** (*Erebia disa*)
- ___ **Taiga Alpine** (*Erebia mancinus*)
- ___ **Mt. McKinley Alpine** (*Erebia mackinleyensis*)
- ___ **Banded Alpine** (*Erebia fasciata*)
- ___ **Common Alpine** (*Erebia epipsodea*)
- ___ **Red-disked Alpine** (*Erebia discoidalis*)
- ___ **Yellow-dotted Alpine** (*Erebia pawloskii*)
- ___ **Reddish Alpine** (*Erebia lafontainei*)
- ___ **Polixenes Arctic** (*Oeneis polixenes*)
- ___ **Jutta Arctic** (*Oeneis jutta*)
- ___ **Melissa Arctic** (*Oeneis melissa*)
- ___ **White-veined Arctic** (*Oeneis bore*)

* 43 species have been observed locally. An additional 9 species (in red) have been observed in southcentral Alaska and might be observed locally in the future.
