

FLOOR LAMPS

Minimalist Floor Lamp with reading light

HYFL250103-R

FEATURES

- Unique Single-Pole Dual-Light Design
- Dual-directional lighting for ambient and task use
- Compatible with standard replaceable LED source

Specifications

- Supply voltage : AC 220–240 V
- Light source: 10-18W (LED R7S)
5W (LED G9)
- Dimming: Yes
- Switch type: Knob dimmer
- Dimension: 10"D * 71"H
- Weight: 4.6KG
- Color : Brass/ Customization Available
- Material: Metal and glass
- Surface Finishing : Electroplating
- Packing size: 32 * 10.5 * 59 cm

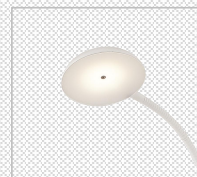

HYFL250103-L

FEATURES

- Unique Single-Pole Dual-Light Design
- Lampshade with adjustable tilt angle
- Stepless rotary dimmer for easy brightness adjustment

Specifications

- Supply voltage : AC 220–240 V
- Light source: LED 18W & 5W
- Dimming: Yes
- Switch type: Knob dimmer
- Dimension: 10"D * 71"H
- Weight: 4.5KG
- Color : White / Customization Available
- Material: Metal and plastic
- Surface Finishing : Baked Paint
- Packing size: 32 * 10.5 * 59 cm

HYFL250102-R

FEATURES

- Stable metal base, anti-dumping design
- Lampshade with adjustable tilt angle
- Compatible with standard replaceable LED source

Specifications

- Supply voltage : AC 220–240 V
- Light source: 10-18W (LED R7S)
5W (LED G9)
- Dimming: Yes
- Switch type: Knob dimmer
- Dimension: 10"D * 70"H
- Weight: 5.4KG
- Color : Black / Customization Available
- Material: Metal and glass
- Surface Finishing : Baked Paint
- Packing size: 30.5 * 10 * 101 cm

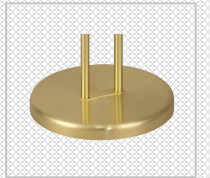

HYFL250102-L

FEATURES

- Dual-directional lighting for ambient and task use
- Lampshade with adjustable tilt angle
- Stepless rotary dimmer for easy brightness adjustment

Specifications

- Supply voltage : AC 220–240 V
- Light source: LED 18W & 5W
- Dimming: Yes
- Switch type: Knob dimmer
- Dimension: 10"D * 70"H
- Weight: 5KG
- Color : Brass/ Customization Available
- Material: Metal and glass
- Surface Finishing : Electroplating
- Packing size: 30.5 * 10 * 101 cm

IP20

HYFL250102-1

FEATURES

- Single Lamp with Dual Pole Structure
- Lampshade with adjustable tilt angle
- Great performance at an affordable price

Specifications

- Supply voltage : AC 220–240 V
- Light source: LED 18W & 5W
- Dimming: Yes
- Switch type: Knob dimmer
- Dimension: 10"D * 70"H
- Weight: 4.8KG
- Color : White / Customization Available
- Material: Metal and plastic
- Surface Finishing : Baked Paint
- Packing size: 30.5 * 10 * 101 cm

IP20

HYFL250508

FEATURES

- Slim metal pole with minimalist design
- Dual-layer reflective effect for dimensional aesthetics
- Soft diffusion for glare-free illumination

Specifications

- Supply voltage : AC 220–240 V
- Light source: 20W (LED E27)
- Dimming: No
- Switch type: Foot switch
- Dimension: 10"D * 73.5"H
- Weight: 4.7KG
- Color : Silver / Customization Available
- Material: Metal and glass
- Surface Finishing : Electroplating
- Packing size: 56 * 35 * 12 cm

HYFL250509

FEATURES

- Minimalist cone-shaped shade for soft ambient lighting
- Uplight design enhances ambient lighting and room depth
- Standard bulb socket for easy replacement

Specifications

- Supply voltage : AC 220–240 V
- Light source: 20W (LED E27)
- Dimming: No
- Switch type: Knob switch
- Dimension: 11"D * 73.5"H
- Weight: 4.7KG
- Color : Silver / Customization Available
- Material: Metal and glass
- Surface Finishing : Electroplating
- Packing size: 56 * 35 * 12 cm

Classic Glass Shade Floor Lamp

HYFL250511

FEATURES

- Ribbed glass lampshade for soft and diffused illumination
- Uplight design enhances ambient lighting and room depth
- Standard bulb socket for easy replacement

Specifications

- Supply voltage : AC 220–240 V
- Light source: 20W (LED E27)
- Dimming: No
- Switch type: Foot switch
- Dimension: 11.5"D * 73.5"H
- Weight: 4.7KG
- Color : Brass / Customization Available
- Material: Metal and glass
- Surface Finishing : Electroplating
- Packing size: 56 * 35 * 12 cm

IP20

CE

HYFL250510

FEATURES

- Dual-pole structure for enhanced stability and style
- Simple ON/OFF rotary switch for intuitive use
- Upward-facing bowl shade for soft, indirect lighting

Specifications

- Supply voltage : AC 220–240 V
- Light source: 2 * 10W (E27 or E14)
- Dimming: No
- Switch type: Knob switch
- Dimension: 11"D * 70.5"H
- Weight: 4.6KG
- Color : Silver / Customization Available
- Material: Metal and plastic
- Surface Finishing : Electroplating
- Packing size: 30.5 * 10 * 101 cm

Multi-Function LED Floor Lamp with Fan & Reading Light

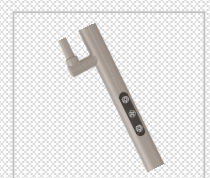

HYFL250105

FEATURES

- Multiple dimming levels and mode selections available
- Reading lamp includes fan for lighting and cooling in one
- Main and reading lights can be controlled separately

Specifications

- Supply voltage : AC 220-240 V
- Light source:LED 15W & 4W
- Fan power: 5W
- Dimming: Yes
- Switch type: Touch / Remote controller
- Dimension: 11.75"D * 71.5"H
- Weight: 5.2KG
- Color : Grey / Customization Available
- Material: Metal and plastic
- Surface Finishing : Baked Paint
- Packing size: 65 * 35 * 15.5 cm

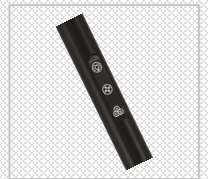

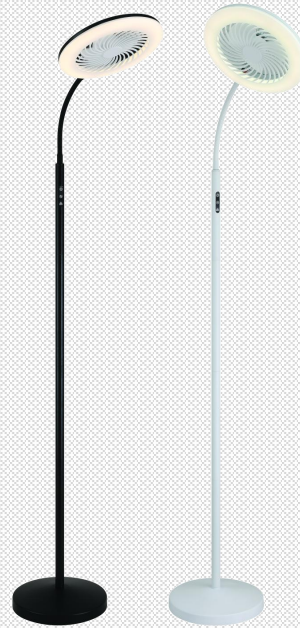

HYFL241108

FEATURES

- The lamp includes fan for lighting and cooling in one
- Touch Dimmer switch with memory function
- Easy control via remote for lighting modes and colors

Specifications

- Supply voltage : AC 220–240 V
- Light source: LED 18W+6W (RGB+CCT)
- Dimming: YES
- Switch type: Touch / Remote controller
- Dimension: 10.75"D*72.75"H
- Weight: 4.9KG
- Color : Black / Customization Available
- Material: Metal and plastic
- Surface Finishing : Baked Paint
- Packing size: 65 * 35 * 15.5 cm

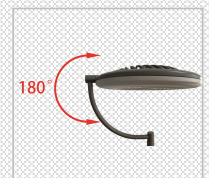

HYFL230507

FEATURES

- Multiple dimming levels and mode selections available
- Reading lamp includes fan for lighting and cooling in one
- Lampshade with adjustable 180°

Specifications

- Supply voltage : AC 220–240 V
- Light source: LED 18W & 5W
- Fan power: 6W & 4W
- Dimming: Yes
- Switch type: Touch / Remote controller
- Dimension: 11.75"D * 71"H
- Weight: 5.2KG
- Color : Grey / Customization Available
- Material: Metal and plastic
- Surface Finishing : Baked Paint
- Packing size: 63 * 47 * 11.5 cm

HYFL250318

FEATURES

- Push button or remote dimming control
- Bluetooth speaker for wireless music playback
- Stable base design, ideal for living rooms, reading corners or bedrooms

Specifications

- Supply voltage : AC 220-240 V
- Light source: LED 20W & 4W
- Speaker power: 10W
- Dimming: Yes
- Switch type: Push button / Remote control
- Dimension: 12"D * 71.5"H
- Weight: 4.5 KG
- Color : Black / Customization Available
- Material: Metal
- Surface Finishing : Baked Paint
- Packing size: 50 * 36 * 13 cm

HYFL240801

FEATURES

- RGB and CCT dimming via push button and remote
- Bluetooth speaker for wireless music playback
- Adjustable pole design for customized light angles

Specifications

- Supply voltage : AC 220-240 V
- Light source: LED 20W & 4W
- Speaker power: 10W
- Dimming: Yes
- Switch type: Push button / Remote control
- Dimension: 14"D * 70"H
- Weight: 13.3KG
- Color : Silver / Customization Available
- Material: Metal
- Surface Finishing : Electroplating
- Packing size: 108 * 43.5 * 42cm

Swivel Ring Dual-Light Floor Lamp

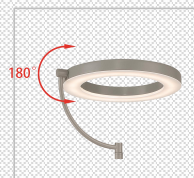

HYFL250101

FEATURES

- Lampshade with adjustable 180°
- Dual-direction lighting for enhanced ambient effect
- Ring-shaped LED head for even and soft illumination

Specifications

- Supply voltage : AC 220–240 V
- Light source: LED 18W & 5W
- Dimming: Yes
- Switch type: Touch switch
- Dimension: 12.75"D * 71"H
- Weight: 3.9 KG
- Color :Black / Customization Available
- Material: Metal and plastic
- Surface Finishing : Baked Paint
- Packing size: 37.5 * 8.5 * 45.5 cm

HYFL250505

FEATURES

- Minimalist control with a modern tech feel
- Sensitive infrared sensor for smooth response
- Great performance at an affordable price

Specifications

- Supply voltage : AC 220–240 V
- Light source: 20+4W
- Dimming: Yes
- Switch type: Infrared sensor
- Dimension: 11.75"D*71.75"H
- Weight: 5.1KG
- Color : Sand Yellow / Customization Available
- Material: Metal
- Surface Finishing : Baked Paint / Customization Available
- Packing size: 50 * 35 * 9.5 cm

IP20

HYFL250506

FEATURES

- High-End Aesthetic with Refined Finishes
- Sensitive infrared sensor for smooth response
- Using water transfer printing for a textured wood grain finish

Specifications

- Supply voltage : AC 220–240 V
- Light source: 20W
- Dimming: Yes
- Switch type: Infrared sensor
- Dimension: 11.75"D * 72.5"H
- Weight: 5.3KG
- Color : Brass / Customization Available
- Material: Metal
- Surface Finishing : Water transfer printing
- Packing size: 56 * 35 * 9.5 cm

IP20

HYFL240805

FEATURES

- Built-in USB and wireless charging
- Integrated tabletop design for lighting and storage
- Touch or remote dimming control

Specifications

- Supply voltage : AC 220–240 V
- Light source: 60W
- Dimming: Yes
- Switch type: Remote control
- Wireless charging 15W / USB Tyep-C: 5V 2.1A
- Dimension: 13"D * 67.5"H
- Weight: 14.2KG
- Color : Silver / Customization Available
- Material: Metal& Wood
- Surface Finishing : Electroplating
- Packing size: 68.5 * 42 * 38.5cm

IP20

HYFL240805B

FEATURES

- Built-in USB and wireless charging
- Top-only illumination for energy-efficient and focused lighting
- Minimalist metal base design, compact yet stable

Specifications

- Supply voltage : AC 220–240 V
- Light source: 20W
- Dimming: Yes
- Switch type: Remote control
- Dimension: 12"D * 70.75"H
- Wireless charging 10W
- Weight: 7.2KG
- Color : Silver / Customization Available
- Material: Metal& Wood
- Surface Finishing : Electroplating
- Packing size: 68.5 * 42 * 38.5cm

Modern Arched Floor Lamp

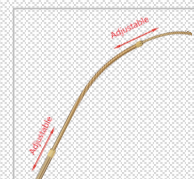

HYFL250502

FEATURES

- Adjustable height and angle for flexible lighting
- Touch dimming control for easy brightness adjustment
- Weighted engineered stone base for enhanced stability

Specifications

- Supply voltage : AC 220–240 V
- Light source: LED 20W
- Dimming: Yes
- Switch type: Touch switch
- Dimension: 40"W * 68"H
- Weight: 5.3KG
- Color : Gold/ Customization Available
- Material: Metal
- Surface Finishing : Baked Paint
- Packing size: 64 * 41 * 21.5 cm

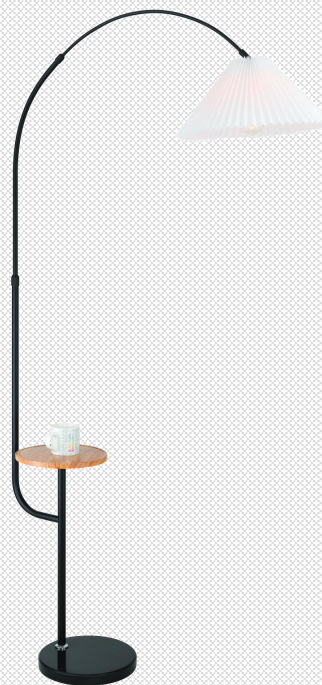

HYFL250503

FEATURES

- Japanese fan-style pleated lampshade
- Adjustable height and angle for flexible lighting
- Integrated round side table for added functionality

Specifications

- Supply voltage : AC 100–240 V
- Light source: 20W (E26/E27)
- Dimming: No
- Switch type: Foot switch
- Dimension: 41"W * 75"H
- Weight: 8.4KG
- Color : Black / Customization Available
- Material: Metal & Wood
- Surface Finishing : Baked Paint
- Packing size: 40 * 14 * 96.5 cm

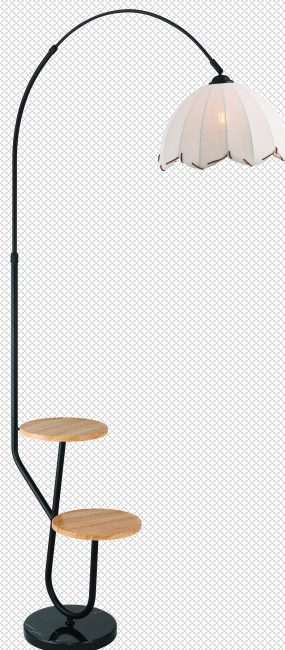

HYFL250504

FEATURES

- Dual-tier side tables for added functionality
- Vintage-style fabric shade with handcrafted stitching detail
- Elegant curved arm design for extended lighting reach

Specifications

- Supply voltage : AC 100–240 V
- Light source: 20W (E26/E27)
- Dimming: No
- Switch type: Foot switch
- Dimension: 40"W * 75"H
- Weight: 9.5KG
- Color : Black/ Customization Available
- Material: Metal & Wood
- Surface Finishing : Baked Paint
- Packing size: 40 * 14 * 96.5 cm

HYFL241111

FEATURES

- Dual-lamp head for wider illumination coverage
- Adjustable height and angle for flexible lighting needs
- Ideal for living rooms, reading corners, or gallery spaces

Specifications

- Supply voltage : AC 220–240 V
- Light source: 5W * 2 (LED G9)
- Dimming: Yes
- Switch type: Foot dimmer
- Dimension: 30"W * 63"H
- Weight: 5.3KG
- Color : Brass / Customization Available
- Material: Metal and glass
- Surface Finishing : Electroplating
- Packing size: 64 * 41 * 21.5 cm

CE

HYFL240313

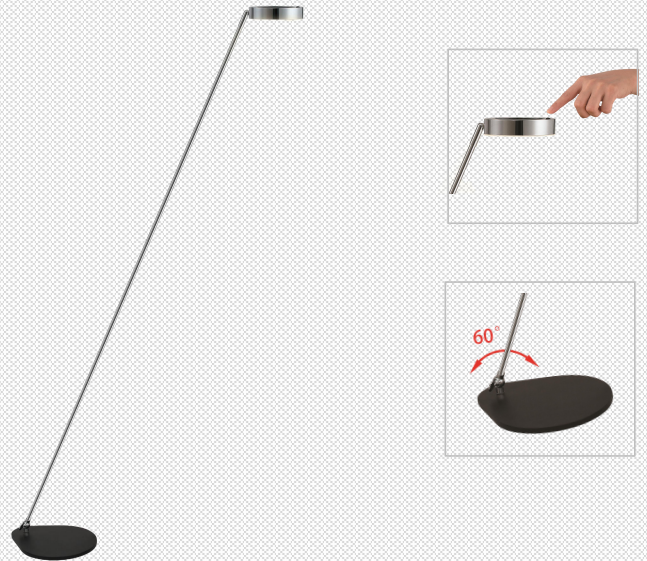

FEATURES

- Adjustable pole design for customized light angles
- Touch Dimmer switch with memory function
- Minimalist control with a modern tech feel

Specifications

- Supply voltage : AC 220–240 V
- Light source: 6W
- Dimming: No
- Switch type: Push button
- Dimension: 10.5"D * 63"H
- Weight: 4.2KG
- Color : Silver / Customization Available
- Material: Metal
- Surface Finishing : Electroplating

Packing size: 28 * 11 * 102.5 cm

IP20

CE

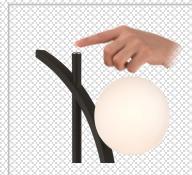

HYFL240321-1

FEATURES

- Sculptural arc design blends form and function
- Touch dimming control for easy brightness adjustment
- Weighted engineered stone base for enhanced stability

Specifications

- Supply voltage : AC 220-240 V
- Light source: 6 * 4W (LED G9)
- Dimming: Yes
- Switch type: Touch switch
- Dimension: 14"D * 60.75"H
- Weight: 7.2KGG
- Color : Black/ Customization Available
- Material: Metal and glass
- Surface Finishing : Baked Paint & Electroplating
- Packing size: 37 * 21 * 76.5 cm

HYFL240321

FEATURES

- Sculptural arc design blends form and function
- Touch dimming control for easy brightness adjustment
- Weighted engineered stone base for enhanced stability

Specifications

- Supply voltage : AC 220–240 V
- Light source: 6 * 4W (LED G9)
- Dimming: Yes
- Switch type: Touch switch
- Dimension: 20"W * 10"D * 60"H
- Weight: 11KG
- Color : White / Customization Available
- Material: Metal and glass
- Surface Finishing : Baked Paint & Electroplating
- Packing size: 90.5 * 47 * 31.5 cm

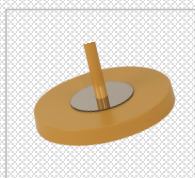

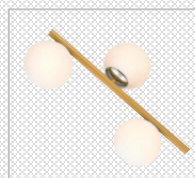

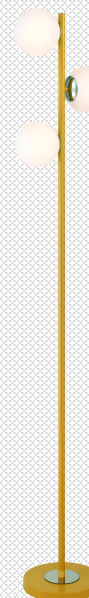

HYFL250312

FEATURES

- Available in 2-globe or 3-globe configurations
- Frosted glass globes for soft, ambient lighting
- Minimalist geometric design

Specifications

- Supply voltage : AC 100–240 V
- Light source: 5W * 3 (LED G9)
- Dimming: No
- Switch type: Foot switch
- Dimension: 11"D * 63"H
- Weight: 3.5KG
- Color : Sand Yellow / Customization Available
- Material: Metal
- Surface Finishing : Baked Paint
- Packing size: 46.5 * 33.5 * 22 cm

HYFL230526

FEATURES

- Triple-light structure for layered illumination
- Adjustable lamp head angles for directional lighting
- Push button dimming control for easy brightness adjustment

Specifications

- Supply voltage : AC 220-240 V
- Light source: LED 3 * 6W
- Dimming: Yes
- Switch type: Push button
- Dimension: 10.25" * 64.25"H
- Weight: 4.3 KG
- Color : White / Customization Available
- Material: Metal
- Surface Finishing : Baked Paint
- Packing size: 59 * 32 * 31.5 cm

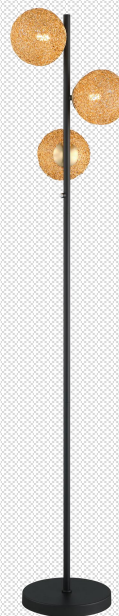

HYFL230527

FEATURES

- Three wire mesh globe shades create rich lighting texture
- Push button dimming control for easy brightness adjustment
- Weighted round base ensures safety and balance

Specifications

- Supply voltage : AC 100-240 V
- Light source: 3 * 4W (LED G9)
- Dimming: Yes
- Switch type: Push button
- Dimension: 13.5" * 64.5"H
- Weight: 4.5KG
- Color : Black / Customization Available
- Material: Metal
- Surface Finishing : Baked Paint
- Packing size: 59 * 38 * 36.5 cm

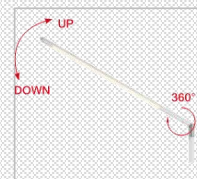

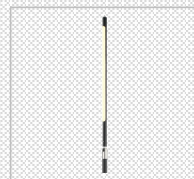

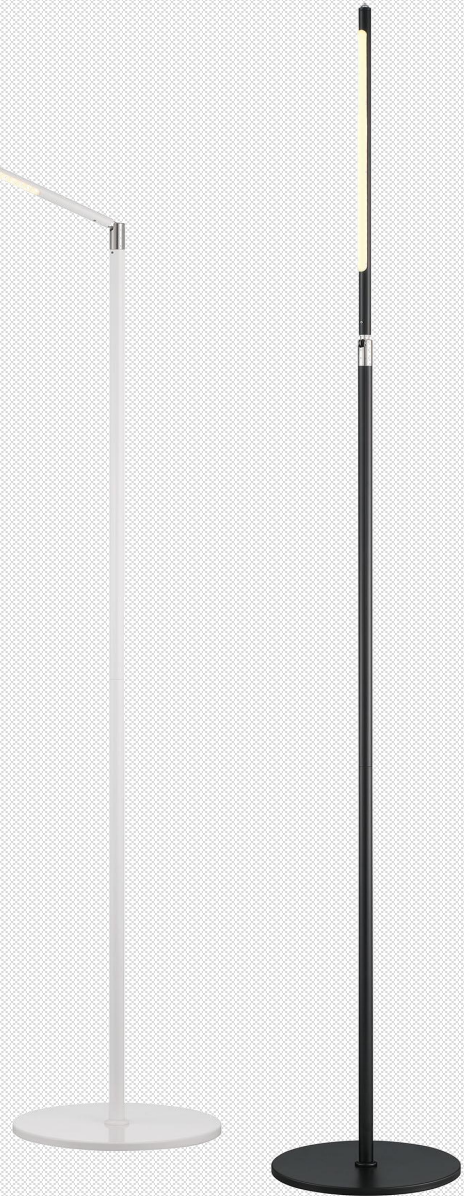

HYFL230522

FEATURES

- 360° rotatable head with vertical tilt adjustment
- Slim and elongated LED light bar
- Minimalist design stable round base for safety and balance

Specifications

- Supply voltage : AC 220–240 V
- Light source: 60W
- Dimming: Yes
- Switch type: Push Button
- Dimension: 20.5" * 10" * 53.5" H
- Weight: 4.8KG
- Color : Black / Customization Available
- Material: Metal
- Surface Finishing : Baked Paint
- Packing size: 74 * 27 * 34 cm

Adjustable Dual-Head Floor Lamp

HYFL230542

FEATURES

- Top lamp head tilts up to 15° for directional lighting
- 360° adjustable gooseneck for reading lamp
- Sleek minimalist design for living rooms and reading spaces

Specifications

- Supply voltage : AC 220–240 V
- Light source: LED 18W & 5W
- Dimming: Yes
- Switch type: Knob dimmer
- Dimension: 14"D * 67"H
- Weight: 9.6KG
- Color : Black/ Customization Available
- Material: Metal
- Surface Finishing : Baked Paint
- Packing size: 67.5 * 42 * 42.5 cm

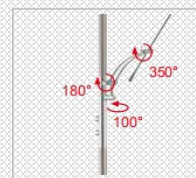

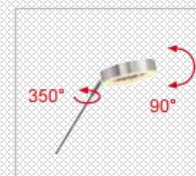

HYFL240802

FEATURES

- Multi-joint adjustable reading lamp arm
- Brushed metal finish with elegant satin nickel tone
- Dual Touch-Sensitive Dimming Control

Specifications

- Supply voltage : AC 220–240 V
- Light source: LED 20W & 5W
- Dimming: Yes
- Switch type: Touch switch
- Dimension: 12.5"D * 72"H
- Weight: 13.5 KG
- Color : Silver / Customization Available
- Material: Metal
- Surface Finishing : Electroplating
- Packing size: 97.5 * 42 * 18.5 cm

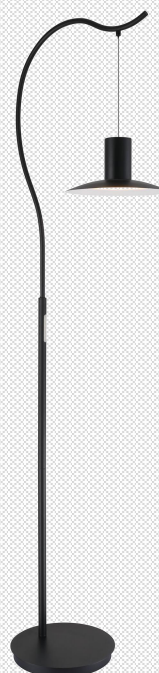

HYFL230543

FEATURES

- Pendant-style lampshade with 30 cm drop height
- Adjustable stretchable lampshade design
- Dual control system: Touch dimming and remote control

Specifications

- Supply voltage : AC 220–240 V
- Light source: LED 12W
- Dimming: Yes
- Switch type: Touch switch and remote control
- Dimension: 19.75"W * 12"D * 75"H
- Weight: 9.2KG
- Color : Black / Customization Available
- Material: Metal
- Surface Finishing : Baked Paint
- Packing size: 87.5 * 56 * 19.5cm

Dual-Light Floor Lamp with Pleated Shade

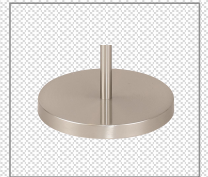

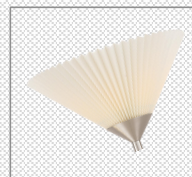

HYFL250308

FEATURES

- Pleated lampshade for soft light and elegant style
- Compatible with standard replaceable bulb
- Switch control to toggle main and reading lights

Specifications

- Supply voltage : AC 100-240 V
- Light source: 18W (E27) & 5W (E14)
- Dimming: No
- Switch type: Rocker Switch
- Dimension: 15"D * 71"H
- Weight: 3.8KG
- Color : Silver / Customization Available
- Material: Metal and plastic
- Surface Finishing : Electroplating
- Packing size: 65 * 35 * 15.5 cm

HYFL250104

FEATURES

- Multi-angle reading lamp with extendable arm
- Compatible with standard replaceable bulb
- Great performance at an affordable price

Specifications

- Supply voltage : AC 100–240 V
- Light source: 18W (E27) & 5W (E14)
- Dimming: No
- Switch type: Rocker Switch
- Dimension: 9.5"D * 70"H
- Weight: 2.6KG
- Color : Red / Customization Available
- Material: Metal and plastic
- Surface Finishing : Baked Paint
- Packing size: 26 * 12 * 42.5 cm
