

Dear Life-Change Partner,

There are many things we could write that would easily show you how faithful God has been and how effective you have been for the kingdom through your generosity. We could do what we do without a lot of what we have. We could go without the sound, we could go without lights, we could go without a building, but there are three things we will never be able to exist without.

The first is the hand of God. Without the hand of God on our lives and in our church, we would have no one to serve. It is because of His grace that we are even able to gather in worship, build real relationships in Life Groups, and make a difference through our Outreach partnerships. Without His hand, we would be nothing but a social club. Without the God we worship, we would look much like a cult. Without the hand of God, we would have no vision, no direction and no guidance. But because of His grace, we get to. We get to be a part of His plan. We get to be a part of His vision. We get to be a part of His church. If we never forget that without Him we are nothing substantial, then we will always witness Him doing something significant.

The second thing is the faithfulness of our volunteers. The vision to reach our city and world for Jesus would fall drastically short if it relied on our staff alone to carry it out. Without steady hands working together to carry out what God has called us to, we would never see the amount of Life Change that we've been able to see. Every volunteer that helps carry the weight of this vision is truly a dream come true for Ashton & I.

The third is the generosity of the people. Without your generosity, this would quickly become a limited expression of God's love. The local church was never designed to be limited by a lack of resources and thankfully, by the grace of God & your faithfulness, our church has been able to continue to push back darkness even through a year like 2020.

Looking ahead at what 2021 has in store, I'm asking you to remain faithful in your generosity by supporting the vision to see people experience Life Change Through Christ. Regardless of the dollar amount, your sacrifice is significant.

Thank you

Mike Santiago
