CHURCH

INVITE

At Focus we want to be a church that you are proud of. A church that creates environments that you aren't embarrassed to bring your friends to. One of our next steps is Invite simply because we know that people are more open to a personal invitation than any other kind of marketing. Because of the internet and the connectivity of today's society it has become easier than ever to share your interest and activities with the world. By participating in the invite step you are committing to making sure everyone in your network knows about Focus.

INVEST

Your generosity fuels the vision of life-change. Every dollar that you give & every cause you participate in is fuel for the movement of God that we call Focus Church. When you give to Focus, you are actively participating in a unified effort to reach people all over the triangle and all over the world. You can expect that your investment will be handled with the vision of Focus in mind every time.

INVOLVE

We strive to move you from sitting in a row to serving on a team. By serving and getting involved you are no longer only on the receiving end of life-change but also on the delivery end. Every position from the parking lot to the production team is all under the involvement step. Whether you would like to greet on a Sunday or watch kids at a Life Group during the week, there is a place for you to be involved.

INTERACT

At Focus we believe that life-change happens in circles, connecting you to a relationship and community that is there to support and encourage you. We have Life Groups available for all ages and walks of life. When you participate and interact in a Life Group, you are completing the circle of life-change. Rows on Sundays are just the beginning, circles during the week are where discipleship and relationship happens.

I COMMIT TO PARTICIPATING IN THE 4 I'S TO THE BEST OF MY ABILITY BY BECOMING A PARTNER AT FOCUS CHURCH.
