

352 Longview Plaza Lexington KY 40503 **859-277-0521**

The largest and most experienced, locally owned Design Center with Paint, Stain, Wallpaper, Window Treatments, and Upholstery in the region!

We offer an unparalleled retail experience; far beyond "take a number" or "found online" for residential and commercial customers.

YOU JUST HAVE TO SEE IT AND TOUCH IT IN OUR SHOWROOM! Thanks for shopping LOCAL!

NEWSLETTER June 30, 2025

We will be closed Friday, July 4th.

With the economy in flux and tariffs you will unfortunately see price increases. As a small local business, we strive to help you control cost with great products. Some of our vendors are absorbing a portion of the cost. You will see prices drop when a tariff is rescinded on our next purchase of that item.

FROM OUR Paint/Stain Department: Have you noticed wood damage? Stop in and checkout LiquidWood® that penetrates wood fibers and structurally hardens decayed and weathered wood permanently. Use with WoodEpox to harden and restore wood on buildings, windows, columns, beams, decks, boats, furniture, artwork, and any wooden architectural elements. IT'S ALSO CABOT REBATE TIME! Rebates are \$15.00 per gallon for up to 5 gallons or \$75.00 per five gallon pail. Refresh your deck, siding, fence or any other exterior wood surface and save big \$\$\$!

FROM OUR Wallpaper/Panels Department /Commercial lines too: We have the largest collection of in-stock wallpaper from major companies with amazing colors, designs and price! You can find some of these on our website. Murals are big this year! You can find scenic retreats, hanging gardens and huge florals. Stop in and take a look at what your space is missing. Transform any residential or commercial space with our huge collection of over 500 books of special order wallpaper. What about adding a focal wall/fun wall? Something that makes you happy every time you see it. **** We can't emphasize enough that you need to prep your wall or ceiling before you put up wallpaper. NEVER apply directly to drywall!!!! Always apply on a painted, clean, (DON'T USE DISH SOAP that will leave behind a film) and dry surface. We recommend applying Sizing to your surface for easier wallpaper installation and removal.

FROM OUR Tools & Supplies Department: Do we have a bargain for you! We over ordered a Wooster series paint roller frame, and we got a quantity bargain! Stop by and pick one up before the summer heat keeps you from painting!

WE'RE always updating OUR WEBSITE!!! Take a look at our tips and trick section. <https://www.perspectives-usa.com/>

FROM OUR Full Line Interior Design Center: Motorized??? Control at Your Fingertips! Control a single shade or a whole house full of shades—from your phone or tablet. Create routines and time-based schedules. Connects with 14 different smart home systems including Alexa, Google, Control4. Raise and lower shades from across town or the other side of the world. Motorization makes it easier to close your blinds and shades so you can benefit from their insulating properties.
