### **NEWSLETTER September 30, 2025**

**The "Brr" months have arrived! Watch your temps for outside coatings!**

We continue with the economy in flux and tariffs you will unfortunately see price increases. As a small local business, we strive to help you control cost with great products. Some of our vendors are absorbing a portion of the cost. You will see prices drop when a tariff is rescinded on our next purchase of that item.

**Hazardous waste collection day is October 18, from 8:30 a.m. to 3 p.m. at 1631 Old Frankfort Pike. Enter via Jimmie Campbell Dr. For more information and to pre-fill the required event survey, go to [LexingtonKY.gov/HHWsurvey](https://LexingtonKY.gov/HHWsurvey).**

**FROM OUR Paint/Stain Department:** Have you tried our signature private label Ceramic or our "Up Yonder" ceiling paint? \*\*\*\* We can't emphasize enough that you need to prep your wall or ceiling before you put up wallpaper. NEVER APPLY DIRECTLY TO DRYWALL! Always apply on a painted, clean, and dry surface. (Don't use dish soap that will leave behind a film.) We recommend applying Sizing to your surface for easier wallpaper installation and removal. Visit our website blog for more helpful tips.

**FROM OUR Tools & Supplies Department:** Do your corners take a lot of wear? We carry Lexan corner guards in 4' and 8' lengths, in light and heavy duty commercial sizes. We also have a variety of 4' wood corner guards in stainable oak and paintable beech, with smooth and turned profiles. We can also special order larger commercial corner guards in a variety of colors and even stainless steel!

**FROM OUR Full Line Interior Design Center:** We have great ideas for every home and business space!

**UPHOLSTERY:** Consider repurposing your present furniture. Recovering and restoring well-built older furniture is a great idea and a wonderful investment for many years to come. We carry a full selection of fabrics. Ask us about "rub count". A high wearing material with Crypton treatment will last for many, many, years. Crypton treated fabric is stain resistant to people and pet accidents; with abrasion tests exceeding 50 thousand double rubs it guarantees a lifetime of wear. Don't forget, we can also update your exterior porch and patio cushions for a beautiful new look.
