

How to ride the Bus:

- Find the bus stop location closest to you, and the bus stop closest to your destination. You can call our office, or by using our interactive map on our web; www.mygreenway.org
- Arrive at least 10 mins early to the bus stop.
- Notify the driver of your stop by pulling the yellow cord closest to your seat, or by telling the driver prior your destination.
- Board the vehicle by stairs, ramp, or lift. *All WPRTA buses have lifts or ramps for wheelchair and scooter users and others who use a walker or cane or simply have trouble climbing steps.*
- Exit the bus by the same method you used to board the bus. *At no time can a stroller, cart, or belongings block the aisle.*
- Passengers using wheelchairs have priority use of the space reserved for wheelchairs.
- Some vehicles are equipped with bike racks. When a bus does not have a bike rack and the space on the bus near the securement area next to the lift is available the driver may secure the bike on the bus.
- Enjoy the ride, and follow passenger guidelines. *Guidelines are posted on board the bus and online at mygreenway.org.*

Flexible Fixed Route

The Flexible Fixed Route combines the benefits of traditional fixed-route service and demand-response service. Flex is really two types of bus service in one. The bus follows a defined route, picking up and dropping off passengers at designated stops. Pull the cord to let the driver know you would like to exit the bus at the next stop. The bus will also "Flex" (deviate) off its route. The driver will reroute to locations within 3/4 of a mile of the usual route when a passenger has made a reservation in advance .

Inclement Weather:

Please call 828-465- 7634, visit mygreenway.org for or tune to local news Channel 9 WSOC TV for inclement weather updates.

Scheduling a deviation:

The flex route is a shared ride, public transportation service. Requests for 3/4 mile deviated service may be made during normal business hours by 12:00 p.m. on the preceding business day that service is requested . Reservations may be made by calling 828-464-9444, Office is open 8:30—5:00 PM, Monday-Friday. Please provide the following information when you schedule a ride: Name, Pick Up Address, Phone Number, Destination, Mobility Status, or if you're bringing a personal care attendant or children.

Service Animals

Service animals are trained to work or perform a task for persons with disabilities. Comfort or emotional support animals are not allowed. **Service animal must be under control of the handler.**

Compliments and Complaints:

WPRTA values passenger and agency comments, compliments, complaints and suggestions. Comments may be mailed to WPRTA at PO Box 459 Conover, NC 28613, or by calling 828-464-9444
