F. PREPARATION AND CARE* (Embalming or Refrigeration) \$895

Except in certain special cases, embalming is not required by law. Embalming may be necessary, however, if you select certain funeral arrangements, such as a funeral with viewing. If you do not want embalming, you usually have the right to choose an arrangement that does not require you to pay for it, such as direct cremation or immediate burial. Embalming is a surgical procedure which requires written permission to perform. Embalming provides temporary preservation and allows the survivors to hold services at a time convenient to them.

REFRIGERATION is required when embalming is not performed. This is a temporary means of holding the remains until disposition occurs. It does not preserve or disinfect the remains for purposes of viewing.

All costs related to compliance with the Federally Mandated OSHA Standards are included.

IMMEDIATE BURIAL	\$2,995
Immediate burial is the process of arranging for burial of the unembalmed body as soon as possible. This service is preferred by members of the Jewish faith, especially Orthodox and Conservative, and Muslim faiths. Our staff is fully knowledgeable in serving these faith communities. Difficulties in filing a death certificate and securing the necessary legal permit immediately and/or a cemetery's inability to open a grave on short notice may require that the body be embalmed (\$895) or refrigerated (\$895) so as to comply with State of Illinois health regulations. Immediate Burial options presume that we deliver the deceased to the cemetery for burial at the time of our choosing and that there is no viewing or commemorative gathering involved. This discounted package includes Basic Services of Funeral Director and Staff, Use of Funeral Coach to Local Cemetery, and Transfer to Funeral Home from place of death.

Necessary authorizations and permits usually take three (3) days to eight (8) days to obtain and file (weekends are sometimes longer) and before any disposition (burial, cremation and/or shipping out of town) can take place, these permits must be in hand. Therefore, immediate burial and direct cremation services will take place only when these papers are obtained, not before.

PAYMENT POLICY

Our funeral home is a small business and like many others in our community, out of necessity, we operate on a cash basis, relying upon the families we serve for prompt payment. We do not have sufficient financial resources to extend credit over a period of months or years, nor does law allow us to fulfill the functions of a bank or other lending institution. Therefore payment is expected at time of arrangements. If payment in full is not completed at time of arrangements, a 50% down payment is required with the balance due in full at time of services.

PAYMENT OPTIONS

Payment with cash or check.

Payment with an approved Visa or MasterCard.

Pre-paid funeral arrangements with Warren Funeral Home, subject to verification the policy is valid.

Assignment of Proceeds of a Verified Life Insurance Policy. (additional fees apply). Warren Funeral Home is willing to accept the assignment of proceeds of a verified Life Insurance Policy for a cost of 5% of the amount assigned to Warren Funeral Home. Our acceptance of this mode of payment is dependent on the cooperation of the beneficiary and the insurance company. The insurance policy must be given to the funeral director for verification. We must have the Insurance Company's complete cooperation in providing information to the beneficiary, amount of the Death Benefit available, outstanding loans information, cooperation to get claim forms in a timely manner, and their acceptance of our written assignment. The insurance company will send the balance of any insurance proceeds directly to the beneficiary after the insurance company pays the funeral bill in full from the proceeds of the insurance policy. The purchaser must obtain a certified death certificate for each insurance policy.

**** Due to the complexity and time involved, we are unable to accept payment from estates. ****
