Outer Burial Container Price List
January 1, 2024

In most areas of the country, state or local law does not require that you buy a container to surround the casket in the grave. However, many cemeteries require that you have such a container so that the grave will not sink in. Either a grave liner or a burial vault will satisfy these requirements

Certain cemeteries may also require an additional fee for the grave set up. (Tent, Grass, Chairs, Lowering Device, Holiday Fees, and for Opening and Closing the Grave)
