

"Healthier Practices, Happier Patients"

## WHAT WE DO:

Our mission is to help independent medical practices become more efficient and profitable. Whether you have an established practice or are branching out for the first time, we know the business side of healthcare can be overwhelming and time consuming. We happily cure those ills to help your practice thrive.

## WHO WE SERVE:

Independent healthcare practices with between 1 and 10 providers.

## HOW WE HELP:

- Accounts Receivable Management
- Billing and Coding Services
- Cash Flow Optimization
- Chart Audits and Reviews
- Credentialing and Payor Enrollment
- Digital Records Management
- Electronic Health Records
- HIPAA Compliance Programs
- Medicare and Insurance Audit Protection
- Marketing Solutions
- Patient Payment Services
- Physician and Staff Education
- Practice Start-Up Support
- Online Reputation Management
- Revenue Cycle Management
- Virtual Care Management

## OUR PROCESS:

The first step is to meet to discuss what is important to your practice. Based on your needs, we'll tailor recommendations to improve your bottom line and simplify your process. **Consultations are complimentary.**

## OUTCOMES:

- Optimize your practice revenue
- Work smarter and not harder
- Spend more time in your "sweet spot"
- Keep up with regulatory and technology changes
- Attract more patients to your practice

## ABOUT THE FOUNDER, LAUREN PATRICK:

My passion is helping businesses solve complex challenges. I did that for 10+ years at the global firm, Capgemini Consulting and for several years as an independent consultant. I'm proud to have helped Fortune 500 clients, including General Motors and Boeing and lately, valued clients like the medical practices I now consult with and serve nationally. I have a BA from Yale and an MBA from Northwestern and also apply skills gained as a Certified Medical Revenue Manager and member of the nation's largest network of Certified Medical Revenue Managers (MRMAA.org).
