We appreciate your recent correspondence to the Aquarian Tabernacle Church Prison Ministry. Your letter has been received, and we are including resource materials and guidance to assist you as you continue walking your chosen spiritual path.

We extend blessings of the God and Goddess to you in this period of growth, renewal, and transformation. May Their presence bring clarity, courage, and peace.

Please receive this blessing crafted especially for you:

In this place of stone and steel, where the world has narrowed but the spirit has not, may the God and Goddess find you.

Child of Earth, Child of Spirit, you are not forgotten. You are not unseen. You are not cut off from the Sacred.

May the Goddess wrap you in Her quiet strength, reminding you that transformation begins within. May the God stand beside you, guarding your courage and guiding your steps.

May your heart be steady, your mind be clear, and your path be open before you.

May every breath you take be a spell of becoming. May every choice you make be a step toward freedom of the soul.

Blessings of the God and Goddess upon you— in your seeking, in your healing, and in your becoming.

So mote it be!
