

My Bible Reading for March

In **DEUTERONOMY**
Moses is about to die.
His last words are to the
new generation—a
history lesson about
what God has done and
what God expects.
*In the first 5 books of the
Bible, think **birth** of the
human race; in the next 12,
think **adolescence**
(teen years).*

JOSHUA must now lead
these fickle people.
They will win battles
w/o lifting a weapon and
suffer humiliating
defeats by trusting their
own power.

JUDGES tells about Gid-
eon, Samson, and the
cycle of sin—repeated
7x—rest, rebellion, retri-
bution, repentance, res-
toration, rest, & here we
go again . . .

Like Tamar & Rahab,
RUTH wins her way into
Israel's heart. *Just as
Boaz took a **Gentile bride**,
so did Christ!*

I SAMUEL is all about
learning to make right
choices & what happens
if you don't.
