

PBA FAMILY SURVEY

We hope you and your family are enjoying the beginning of a new school year. It is our desire to not only give your children a quality education but help them enjoy the process as well—all of this in the nurture and admonition of the Lord. You could help us better serve you by filling in the form below and leaving some personal comments. This will be beneficial to us personally and will help in our re-accreditation process. Only one survey per family is needed (in the event you receive multiple copies from your children).
