

## **Apprentice Air-Conditioning & Refrigeration Technician**

**All Skill Levels Welcome | Orange, NSW | Full-time**

We are seeking a motivated **Apprentice Air-Conditioning & Refrigeration Technician** to join our team based in **Orange, NSW**. This opportunity is open to **apprentices at any stage** of their apprenticeship, as well as motivated individuals looking to start a career in the HVAC industry.

You'll gain hands-on experience working alongside qualified technicians on residential and light commercial systems, with exposure to leading brands including **Daikin, Actron, Brivis, and Rinnai**.

### **What You'll Be Doing**

- Assisting with installation of split and ducted air-conditioning systems
- Assisting with servicing, maintenance, and repairs
- Learning fault-finding and diagnostic skills
- Using tools and equipment safely and correctly
- Maintaining clean and safe work sites
- Completing TAFE requirements and on-the-job training
- Providing professional service to customers

### **About You**

- Currently enrolled in, or willing to commence, a Certificate III in Air-Conditioning & Refrigeration
- Genuine interest in the HVAC industry
- Reliable, punctual, and willing to learn
- Good attitude and strong work ethic
- Ability to work as part of a team
- Current **NSW Driver's Licence** or working towards one

## **Desirable (but not essential)**

- White Card
- Working at Heights
- Mechanical or electrical aptitude
- Basic hand-tool experience

## **What We Offer**

- Full-time apprenticeship with long-term career opportunities
- Supportive and experienced team
- Structured on-the-job training
- Exposure to quality brands and systems
- Above-award wages (based on skill level)
- Consistent local work in the Orange region

## **How to Apply**

If you're a skilled technician looking for stable, local work in the Orange region, we'd love to hear from you.
