## SODIUM GLUCONATE TECH GRADE

### Technical Data Sheet

Product.                      SODIUM GLUCONATE(TECH GRADE)  
Batch No.: 20240410  
Package: 25KGS/BAG

**ORIGINAL**  
Quantity: 26000KGS  
Manuf. Date: 2024.04.10  
Expiry Date: 2026.04.09

| Item                 | Standard                 | Results                |
|----------------------|--------------------------|------------------------|
| Description          | White crystalline powder | Meets the requirements |
| Heavy metals (mg/kg) | $\leq 5$                 | $< 2$                  |
| Lead(mg/kg)          | $\leq 1$                 | $< 1$                  |
| Arsenic(mg/kg)       | $\leq 1$                 | $< 1$                  |
| Chloride             | $\leq 0.07\%$            | $< 0.05\%$             |
| Sulphate             | $\leq 0.05\%$            | $< 0.05\%$             |
| Reducing substances  | $\leq 0.5\%$             | 0.3%                   |
| PH                   | 6.5-8.5                  | 7.1                    |
| Loss on drying       | $\leq 1.0\%$             | 0.5%                   |
| Assay                | 98.0% ~ 102.0%           | 99.0%                  |

Conclusion                      Complies with requirements of Industry Grade
