Looking Over the Pulpit — Duayne Meyer

Inspiring Generosity

I hope the news of the Sanctuary Refreshment project getting underway is generally out among the congregation. You may recall in 2023 the congregation approved a capital campaign to update and refresh the sanctuary and to complete needed repairs.

A couple things set back the initial timeline, namely the addition of solar panels and resurfacing the main parking lot. The project has a wider impact than sanctuary aesthetics alone. The project includes replacing the flooring in the sanctuary, narthex and hallways, tuckpointing the exterior sanctuary walls, painting the sanctuary fascia and soffits, bringing the loft and chancel into ADA compliance and completing electrical, HVAC and sound system repairs and improvements. The pews will be replaced with a combination of chairs and pews, making a more flexible worship space. The total project is currently projected at \$600,000. This does not include the addition of an elevator, which was part of the initial project. The Trustees are hoping in the next few years pneumatic elevators, currently allowed only in residential applications, will be approved for use in settings like ours. The projected cost for elevator and installation is about \$100,000. As mentioned, it is not planned for this to be part of the current sanctuary refreshment campaign.

The capital campaign, which will get underway later this month, has been inspired by a gift of \$250,000 from the James Garard family. It is hard to overstate my gratitude to the Garard family for this generous and visionary contribution. An additional pacesetter donation by another church family brings the total contributed so far to \$300,000. We, as members and friends of NCC, are being asked to contribute the remaining \$300,000. Beth and I look forward to contributing to this important project and hope you will join the Garards and fellow NCC'ers, as we update, refresh and repair this beautiful 65 year old worship space and the surrounding areas.

Looking Over the Pulpit (continued)— Duayne Meyer

These are exciting times for NCC and timely for us as the church as we proclaim the gospel of love, justice and welcome through worship, fellowship, learning and service.

Blessed New Year to you and yours,
~ Pastor Duayne

*Give, and it will be given to you; a good measure—
pressed down, shaken together, and running over—
will be poured into your lap. For with the measure
you use, it will be measured back to you.” -Luke
6.38*

Ronda's Remarks— Ronda Bower

“Come, let's sing out loud to the LORD! Let's raise a joyful shout to the rock of our salvation! Let's come before God with thanks! Let's shout songs of joy to the Lord! Psalm 95:1-2

Happy New Year! As we move into a new year I like to take time to think of and give thanks for the many blessings in my life. One major blessing in my life is NCC. I wish everyone could know the blessings of being part of this wonderful church, but even being part of any church. Being part of a church can provide blessings like a sense of community, spiritual growth through teachings and fellowship, support during difficult times, opportunities to serve others, encouragement to live a moral life, and a deeper connection to God through shared worship and sacraments. My hope is 2026 is that all of us at Northfield Community Church can reach out to others who may not have a church home and invite them to worship or any events at NCC that can welcome them into the blessings of this church home.

Exciting and new:

- Join certified yoga instructor Molly Lu for **Chair Yoga** in the narthex every Tuesday from 11:45am - 12:45pm, beginning January 6. Molly's class will focus on moving the body with awareness, reducing stress, and supporting physical and mental well-being in a safe, supportive way. This class is perfect for beginners and anyone with mobility concerns. Cost: \$10/class or 4 classes for \$20. Questions? Call or text Molly at 815-988-9771 or email molld615@gmail.com

- **A Prayer Shawl Group** has begun at NCC. This group is working on crocheting and knitting prayer shawls that will be given to NCC's congregation and friends who are in need of comfort, support, and prayer from a loving church. Some of us have just learned to crochet with our great teacher Dara Scarola, and have begun our prayer shawls. Dara will also be working with some on knitting. We will be gathering once or twice a month (meeting times are yet to be determine) for some time of friendship and sharing as we work. If you would like to join in the fun, or would just like to get a pattern to work on shawls at home, please contact me, Ronda Bower, in the church office or rbower@northfielducc.org.

Mission Connections

Thank you for your generous donations this Christmas Season!

Thank you to all who donated gifts to **Breakthrough Ministries** for their Christmas Store. The store gives Garfield Park families the opportunity to shop for gifts for their loved ones.

Also, Thank You for your monetary donations to the **Thanksgiving and Christmas offerings**. Those gifts went to **A Just Harvest (AJH)**, our trusted Mission Partner in Rogers Park Chicago for over 50 years. **AJH** is more than just a soup kitchen. In addition to feeding the hungry they are a vital community presence that helps neighbors prepare for and find employment, and by advocating for those marginalized.

Our church's monthly commitment to AJH includes food purchases and volunteer service on the first Friday of the month, led by Carol Angell. Your generosity through these holiday collections will directly **fund the food we purchase throughout 2026**. Any remainder will become a direct contribution to support AJH's staff and facility—ensuring the kitchen's program can continue through the new year.

In this time of need, “Let us not grow weary of doing what is good.” Please remember when you are out doing your grocery shopping to also pick up non-perishable food items for **Northfield Township Food Pantry**. You can bring the food items to church and place in the baskets in the garden room and narthex. Thank you!
