

**IOWA EPS PRODUCTS, INC.**

# **Product Catalog for Mouldings & Trims**

Iowa EPS Products, Inc. is pleased to present the pre-meshed and base-coated (PMB) expanded polystyrene (EPS) shapes, trims, columns and custom made parts for the EIFS industry.

We offer shapes at competitive pricing, as well as the quality control that can only be produced in the factory. Please contact us for a quote on our standard stock items or on a custom piece made to your specifications.

## **IOWA EPS PRODUCTS, INC.**

**The purpose of this catalog is to assist you in selecting EPS or pre-base-coated shapes for your projects.**

**Most shapes are produced in 4' and 8' lengths, however, other lengths are available upon request.**

**Provide your dimensions as 'dimension A' and 'dimension B' for each drawing along with your required length.**

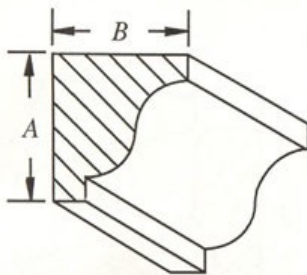

**Shapes not pictured in this catalog are also available. Just provide a drawing of the shape you need, and we will produce the parts for you.**

**We look forward to the opportunity of fulfilling your next shape order of EPS or pre-base-coated shapes!**
