

OMNI Academy

Professional Training in Beauty, Massage & Holistic Therapies

Learn. Qualify. Thrive.

Welcome to OMNI Academy. We provide accredited practical training in beauty, massage and holistic therapies in a supportive, small-group environment. Our mission is to help you develop confidence, practical skills and the knowledge to build a successful career.

How Our Training Works

Stage 1 – Theory & Certification

Complete your online theory and certification through the Beauty Guild before booking your practical training.

Stage 2 – Practical Training

Attend your practical training at OMNI Academy. Students should provide a model where possible; we may be able to assist if required.

Practical Training Fees

Course	Practical Fee
Body Massage	£150
Facial Treatments	£120
Definition Brows	£90
Brow & Facial Waxing & Tinting	£90
Foot Reflexology	£90
Lash & Brow Treatments	£90
Reiki Level 1 & 2	£90
Gel Polish	£60

Certification

Beauty Guild certification fees apply in addition to the practical training fee. A full quotation including certification and practical costs will be provided before enrolment.

Beyond the Certificate Mentorship

Mentorship is available for any treatment you are already qualified in, whether you trained with OMNI Academy or another accredited provider. Every package includes three 90-minute one-to-one mentoring sessions together with priority WhatsApp and email support throughout your mentorship.

Which Package Is Right For You?

Bronze – Build Confidence

Perfect for newly qualified therapists wanting to improve practical skills and confidence.

Silver – Build Your Business

Ideal for therapists ready to attract, retain and grow their client base.

Gold – Build Your Future

Our complete therapist and business development programme, including branding, website support and long-term mentoring.

Why Choose OMNI Academy?

At OMNI Academy we don't just teach treatments—we help develop confident, knowledgeable therapists. Our focus is on practical excellence, personalised support and helping you build a sustainable business doing what you love.
