The goods and services shown below are those we can provide to our customers. You may choose only the items you desire. If legal or other requirements mean you must buy an item you did not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected.

BASIC SERVICES OF FUNERAL DIRECTOR AND STAFF | \$2,470

Our professional services charge includes, but is not limited to, consultation with family and others; local procurement (50-mile radius), preparation and filing of necessary notices, authorizations and consents; custody of the body, filing of death certificates and obtaining permits; general administration and record keeping; other general operation expense; and 24-hour availability. This fee for our basic services and overhead will be added to the total cost of the funeral arrangements you select. This fee is already included in our charges for direct cremations, immediate burials, and forwarding or receiving remains.
