Anna Howarth Collection

Stuart Hill

Stuart Hill graduated from the University of Lincoln where he developed his distinctive style using loose sketches with free flowing graphic text.

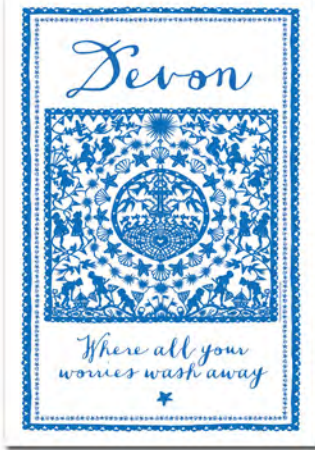

This is the first of a number of designs Stuart is working on taking in the landmarks of the West Country applying his own unique twist and signature.

“TAILOR MADE...”
You can add your Location to any of the designs with quantities starting from just 50 Tea Towels”

Anna Howarth

Based in South Devon Anna cuts her paper creations with precise detail by hand, creating symbols and stories that weave a thread of folklore and fairy tales with magical images conjured from past memories and imagined future.
