Lou Mills

From a background in textiles, specialising in knitwear design and then onto a career in the media working as a Photo Editor an opportunity then arose for Lou to go back to her roots of designing. Lou's designs are full of Colour, strong design and quirkiness, yet retain a sense of sophistication.

Lou works from a 300 year old Quaker meeting house in Cambridgeshire, which is believed to be haunted by a few. Lou has yet to witness any of her crockery moving unaided!
