

## **Coal Miners' Family & Friends Breakfast & America 250 Food Drive**

**Saturday, July 4, 2026, 7:00 - 11:00 AM**

Come out to the Museum to help us celebrate America's 250-centennial! We encourage everyone attending to bring a non-perishable food item, and all food donations will go toward the Bread of Life Ministries food bank.

Our traditional Sausage, Biscuits and Gravy will be served for breakfast. Everyone is welcome to the event to help support the Museum, and we would very much like to recognize all veterans as well as active military personnel!
