Review and Reflect

**REFLECTION:** Is the filling of your mind with Scripture & pondering on its meaning & application. It's examining your life in light of the Scripture you have been reading: to let the Word of God read you. Seek to get to the heart of what you have read & then take those Words & turn them into a prayer. When you have time with Jesus, you get to know Him better as you enjoy His Presence!

**PRAYER:** God desires for you to know Him, have fellowship with Him, and to be involved in every area of your life. Prayer at any time & place is a major part of that. As building a relationship with a person requires consistent time with that person, in the same way, if you want to have a close relationship with God, you need to intentionally set aside daily time alone *just for God*.

**MEMORIZATION:** Ask God for help. Say the Biblical reference before and after the verse. Read the verse aloud many times. Break the verse into natural phrases. Emphasize key words when quoting the verse. Write down the verse and erase a word one at a time. Write out the verse on a flash card and carry it with you or display it to review. Always memorize the verse "word perfect." Get a partner & help each other. Repetition is key!
