Kationx
Wastewater Solutions that Work

GasKat™

Safe, non-toxic, non-corrosive.

REMOVES odors.

Not a fragrance that just (*masks*) odors.

Works in both air + water phases.

Cleans interior plumbing surfaces.

100% active ingredients.

Other odor removers are mostly water.

(i.e., you're really just buying water).

Designed for our military by U.S. Military Veterans.

Wastewater Solutions that Work

GasKat™

Premium Gas & Odor-Removal for Residential Wastewater Systems

- Toilets
- Latrines
- RVs Boat Heads
- Smelly Bathroom Facilities
- Port-A-Johns

Instructions:

- Gently shake bottle to loosen powder. Open flip cap.
- Aim into bowl or opening. For Toilets, hold 2-4" above water surface.
- Gently squeeze 1 or 2 surts into bowl or opening. Then Flush.
- For surfaces, gently wipe with wet cloth or brush.
- Skin/eye safe. Non-toxic. Non-corrosive. No synthetic chemicals.
- Removes odors from both air + water phases. With no site use also removes accumulated fats, oils & grease from inside plumbing.

Hydrogen Sulfide: (BoostR Removes This)

Colorless gas; Rotten-egg smell. Irritates eyes/skin & respiratory tract. Poisonous! Inhalation causes headache, dizziness, nausea. High levels (>1000 ppm) can be instantly fatal - causes respiratory paralysis; attacks nervous system. Cardiac effects may occur. Highly flammable & explosion hazard.

CAS No. 7783-06-4

User Instructions: After Using Toilet FLUSH, THEN:

1. Gently shake the bottle to fluff powder.
2. Hold bottle diagonally over toilet bowl or latrine opening.
3. Hold opening 2-4 inches above water (inside toilet bowl).
4. Gently squeeze bottle once or twice, puffing powder onto water surface, THEN FLUSH.

Scavenges odor molecules from both air + water
Cleans interior plumbing surfaces, pipes and lines
Noxious lingering odors diminish with routine use.

NOTES:

- Do not breath dust. Use inside bowls or openings
- Dust is messy and can be difficult to clean up.
- Use wet rag or cleaning towel.
- Animal/pet safe.
