A TALE OF SEVEN ROOFS...

Thank you to the parishioners who have already made donations for the new roof on the entryway section of our church.

Here's a little background on the project. Since the early 1960s when the current church was built, the people of our parish have faced challenges with the roof at the main entrance with water leaking into the lobby and restrooms. The issue was addressed with a new layer of roof added each time leakage reoccurred. When our contractor was assessing the situation recently it was discovered that SIX separate layers (below) had been installed over the years to solve the problem with water still leaking into our church!

So, a roof project has begun to remove all the soggy, wet layers and to install a new roof. Of course, a flat roof won't last forever, but it can withstand many years of the elements if the water does not remain on it and then seep into the building. Therefore, a plan is being implemented to create a new drainage system to address the pitch problem of this section to hopefully avoid leakage problems in the future.

This is clearly a multi-faceted effort involving many manhours and a wide range of materials with an estimated cost of \$23,000. We certainly appreciate any donation you are able to make to help with this unexpected project. (Please indicate "roof" on your check or envelope).

Thanks in advance for your wonderful generosity, from Fr. Marcin and the staff of St. Joseph Church, Our Parish, Our Family.

PRACTICING STEWARDSHIP

We have become uncomfortable with the idea of an angry Jesus. But, the fierceness and love of Jesus coexist in a healthy way. Indeed, our relationship with God is not the same as a spouse or best friend. Because we cannot see clearly, we would mistake His zeal for anger and His law for orders. A wave against a rocky cliff will, over time, erode its surface, just as an abundance of raindrops will flood a city. We do not call the water callous and cruel. We still enjoy its refreshment. Its destructive powers don't negate its life-giving properties. We do not demand that water apologize. Fierce, uncompromising—but also, soft and merciful. How can God—and God's law—be both, at the same time? How can Christ cast a whip at someone's foot, overturn a table and scatter coins? How can the law of God be perfect, as the Psalm says, and refresh the soul—while demanding so much of it? Thank God for Jesus in today's Gospel. We need his fierceness and thank God it does not wane. Thank God his mercy does not decrease because we doubt it.—Colleen Jurkiewicz Dorman

First Reconciliation only days away from happening at St. Joseph's

Fr. Marcin recently met with some children of our parish preparing to receive the Sacrament of Reconciliation for the first time. He quizzed them about the sacrament and then told them about what to expect during the experience which will be happening this coming Thursday, March 7.

While some might question the significance of Reconciliation, especially in the case of children who might not fully understand the reality of sin or the meaning of the sacrament itself, a child's "First Confession" can be a wonderful time for families to reflect together on the quality of their relationships and how they put their faith into practice. And, it can be the start of realizing to how great it is to celebrate the sacrament as a family.

Going to the Sacrament of Reconciliation is a tangible reminder that our sins affect not only ourselves and our relationship with God, but others as well. Jesus gave his Apostles authority to forgive sins in his name. Through this sacrament, we are really, truly forgiven by God Himself. We receive an outpouring of grace and strength to sin no more and our relationship with Christ and his Body, the Church, are restored. Quick reminder that our Lenten Reconciliation Service is scheduled for Wednesday, March 20, at 6pm. ©LPi

Lenten Stations of the Cross on Fridays

Please join us for Stations of the Cross at St. Joseph Church in Bradley on Fridays at 4pm during the Season of Lent. It's such a peaceful time to pray and reflect on the Gospel narrative of our Lord's Passion. All are cordially invited to attend.

Special Collection Next Weekend

Next weekend, March 9-10, we have the Catholic Relief Services Collection. Funds donated will provide food to the hungry, support displaced refugees, and bring Christ's love and mercy to vulnerable people here and abroad. An envelope is in your offertory packet from the parish. Please give generously and reveal Christ's love to those most in need. You can learn more at www.usccb.org/catholic-relief.

In addition to the Sunday collection, we have some special envelopes for March 2024

Many parishioners who utilize our electronic giving options have opted not to receive contribution envelopes from the parish. This desire is perfectly fine, but the decision has caused these registered members not to receive any of the holy day or special collection envelopes. Some of these parishioners have reached out to us for a solution as they want to participate and give to various ministries, causes and outreach efforts. So, at the beginning of the month, we have been trying to publish these special envelopes in the bulletin.
