Helping Hands

*St. Joseph Parish's
Outreach to the
Needy*

St. Joseph's Helping Hands fund was established to respond to immediate needs of parishioners and neighbors. These funds have offered a helping hand to families seeking aid to pay for rent, to reconnect utilities, to secure household items and furniture, to pay for gasoline to fill car tanks as they travel to and from work or to keep their vehicle warm or cool when they are using it as their only means of shelter.

When someone comes to the parish for help and it is determined they have a legitimate need, a check can be issued to a third party to purchase food and other essentials.

Helping Hands also allows the parish to participate in larger scale projects as well.

For example, the account enabled us to respond quickly to distribute donations for shipping items and other incidentals during our project to help Ukrainian refugees.

**We are currently looking to replenish this fund. Please use a Helping Hands envelope in the pews to help raise our balance to allow us to offer a helping hand once again. Thanks for your care and support!*

PRACTICING STEWARDSHIP

This life on earth is hard. It's either too long or it's too short. It's frequently painful. It's riddled with problems that seem to make no sense. It is, as Dickens wrote, "made of ever so many partings welded together." But it's also shockingly beautiful. It is full of physical experiences of love, joy, and peace that are so powerful they leave you breathless. It is both these things—good and bad, hard and wonderful, just as we are both body and soul, spirit and flesh. No one knows the Father except the Son, who entered into our bodily existence to free us from enslavement to it. No one knows the Son except the Father, and the means by which they know one another—the love passing between them, the Third Person himself—has been shared with us, has made its dwelling within us through baptism.

Parish welcomes new Junior High RE Coordinator/Youth Minister

An announcement was made at all Masses last weekend informing the parish that Sandra Jefferson had accepted the job of Junior High Coordinator for our Religious Education Program/Parish Youth Minister. While making the announcement at 11am Mass, Fr. Marcin introduced Sandra to the parish as well. Excited young people in attendance were happy to welcome Sandra personally afterward.

A longtime member of St. Joseph Parish, Sandra already has a connection with many young people and families because of years of involvement in church programs and ministries and BMCS. This was surely evident by the extremely warm welcome she received from the teens. Sandra's plan is to minister to the awesome kids in this picture and all to the young people of the parish as she works to grow the Youth Ministry and Junior High Religious Education programs. She is so excited about all of the possibilities. Look for activities happening very soon!

To volunteer to help with our new Youth Group and/or our Religious Education sessions starting in the Fall, contact Anita Lovell or Sandra Jefferson in the RE Office.

Bishop Ronald Hicks' Column for July 2023

A month to refresh and recharge

Recently, I visited a parish in our diocese. Immediately after the Mass, I was delighted to begin the “meet and greet” in the narthex. Per usual, the topics of conversation were widely varied. I was struck, however, by a comment made by one of the parishioners. Seemingly out of nowhere, she exhorted me:

“Bishop, we are all in need of the month of July!”

I think she read the polite—yet confused—look on my face, as she explained, “Life gets so busy and crazy. It seems that July is the only month to slow down, enjoy the warm weather and just chill out!” Nodding with affirmation, I smiled and chuckled as I replied to her, “I think you are right. We all need a little summer in our lives.” With that, a huge smile appeared on her face as she raised her hand to give me an enthusiastic high five.

Truth be told, I love the month of July. I have great childhood memories of mid-summer, specifically about Independence Day. Each year on the Fourth of July, my grandma would host an all-day family gathering at her house in Blue Island, Illinois. My uncles would fire up the large, charcoal grills around 7 a.m. After cooking many pounds of bacon, the eggs then were fried in the drippings. But this annual ritual divided the family down the middle—there were about half of us (including me) who viewed this breakfast as one of the greatest culinary delights of the year. The other half would not permit the grill masters to touch their plates, opting instead for kitchen-made eggs and pancakes with some coffee cake and fruit.

After this grand breakfast, the day would be filled with music, conversation, volleyball, croquet, a beanbag toss, and—for some—a walk to Western Avenue to watch the Fourth of July parade. The day concluded by sitting on lawn chairs and blankets as we watched the fireworks from the local high school as we passed around bug repellent to keep the mosquitoes away.

To this day, I still cherish those family memories of the Fourth of July at my grandma’s. Instead of work, study, or chores, it was a day to truly disconnect from the obligations of life and simply enjoy a full day of food, fun, family, and friends. And like most of us, I relished a break from work and school.

As we enter fully into this month of July, maybe it is not only time to refresh and recharge our lives with some good food, fun, family and friends. Perhaps summertime also is our opportunity to refresh and recharge our spiritual lives.

One way to revive ourselves is to immerse ourselves in

God’s creation. In contrast to those gray periods of winter, the sun now shines brightly as our days are longer between sunrise and sunset. The flowers are blooming with vivid colors and the canopy of full trees offer coolness and shade. We can open our windows and listen to birds chirp as we bite into garden-fresh tomatoes, peppers, cherries, and watermelon. It is also a time to notice our neighbors, as many people enjoy a morning or evening walk and children ride bikes around the neighborhood.

How will you refresh and recharge this summer? Perhaps it is the promise of a long-awaited family vacation to a nearby campsite, lake, or amusement park. Or maybe you’ll take a trip to sightsee or visit family and friends afar. During your travels, consider stopping at a shrine or spirituality center along the way.

For others, a “staycation” sounds heavenly. Maybe July will provide you the time to leisurely read a recommended book, clean out the garage, play a board or card game, walk the dog a little longer, or leisurely lay in a hammock or favorite lawn chair and just stare up at the trees or the stars.

On the spiritual level, if you find yourself traveling away from home this summer, please do not take a vacation from attending Mass. Instead of looking at it as a way to merely fulfill an obligation, remember that you’re participating in and receiving the greatest gift that God has given to us—Jesus Christ in the Holy Eucharist. Attending a different Catholic church also can invigorate us while we experience new congregations, listen to different homilists, and worship with other choirs and musicians.

As Catholics, we are reminded that while we embrace the downtime of summer, there is no need to take a break from God! In fact, it’s a wonderful time to invite Jesus Christ into your summer experience. For like I was told in the narthex after Mass, we need the month of July! This is the perfect month to refresh and recharge our spiritual lives.

May you have a happy summer and may God bless and protect you always.✝
