## 27th Sunday in Ordinary Time

This weekend's Gospel begins with the apostles asking Jesus to increase their faith. He answers that even a small amount of real faith can accomplish what seems impossible, because faith is about trusting God, not measuring quantity. Jesus also reminds them that discipleship is not about praise or recognition. Like servants who simply do their duty, we live in obedience to God's will. Our prayer, worship, and acts of charity are not extraordinary achievements, but the natural response of those who belong to Him. The message is clear: trust God completely, even with the smallest faith, and live each day in humble service. (Luke 17:5-10)

### PRACTICING STEWARDSHIP

"Increase my faith." I've said it to God lots of times, imagining a prayer life that is effortless and a sacramental life that is uncomplicated. Easy faith—that's what I'm asking for, and lots of it, please. God will never pass off a false gift as the real thing, just to make us both feel good. He won't hand me something I'm not strong enough to hold. Instead, He watches carefully while I navigate the bumpy terrain of the spiritual life, ready to whisper directions in my ear. He holds his breath while the challenges of this world create deep grooves in my soul—and then He irrigates those grooves with the life-giving waters of grace, transforming them into valleys of consolation. Sometimes I refuse what He's offering. It's not what I asked for. Luckily, He knows that better than me.—Colleen Jurkiewicz Dorman

Last Sunday, our parish was transformed into a hall of heroes as parishioners and friends rolled up their sleeves for our Blood Drive.

Donors received a T-shirt declaring them "The Amazing Donor." We had so many amazing donors that supplies ran out! So, the remaining participants were directed to a website to get their shirts shipped directly to them—because every hero deserves recognition! Thanks to the courage and generosity of our donors, we collected a staggering 27 units of blood. Since each unit has the potential to save up to three lives, this means these heroes could touch as many as 81 lives! This incredible response shows what happens when ordinary people step up to do something extraordinary. Truly, our community has proven that not all heroes wear capes—some wear Band-Aids and big smiles. A heartfelt thank you to everyone who donated or encouraged others to give. You made this drive a super success! Mark your calendars—the next opportunity to unleash your inner hero is at St. Joseph's Blood Drive on Sunday, Dec. 7, 2025. Make an appointment at our website or call the parish office.

## PAW Patrol! Altar Server Training—Wednesday, October 15th

The PAW Patrol (Parishioners Against Weeds) was back at it at St. Joseph's, tackling the outside of our Religious Education wing by removing old juniper bushes to make way for future landscaping. They also cleared weeds and debris around the Blessed Virgin Mary statue on Perry Street. We're grateful for their dedication to keeping our parish grounds looking radiant—watch for details on their next Workday!

We are holding an Altar Server Training Session on Wednesday, Oct. 15, at 5:45pm in the church. All students in third grade and up are invited to become servers. New servers are asked to attend, and veteran servers are welcome too for a helpful refresher.

## Rake & Run Requests Open

Our CSI Youth Ministry will be holding a Rake & Run on Saturday, Oct. 25. Seniors and those in need are invited to fill out the Rake Request form below, clip it, and place it in the collection at Mass to be added to the team's routes. Young people and adults interested in helping are encouraged to contact Mrs. Jefferson in the Youth Ministry Office.

## "Make"

**When I arrived as your bishop five years ago, I laid out a vision of catechesis, evangelization, and faith into action, emphasizing that a thriving Church is one where we truly know, love, and serve God. The big question remains: how do we actually do that? How do we move from just having a vision to putting it into real practice?**

This is why I wrote the pastoral letter MAKE! and launched it just this month. It builds on Bishop Conlon's 2018 pastoral letter GO!, which draws on the Great Commission in Matthew's Gospel (Matthew 28): "Go and make disciples." MAKE! vulnerably reflects my heart. I love Jesus, and I want you to love Him too. It expresses my desire to give everyone a practical, loving roadmap to becoming disciples and making disciples, with a hands-on guide for passing our faith from one generation to the next.

Right before publishing it, I have to admit that I was filled with some self-doubt. I wondered, "There are so many other issues I could be writing about: the Eucharist, Pro-Life concerns, Vocations, Care of Creation, Immigration, Violence, and more. Is making disciples really the best topic?"

The Holy Spirit answered that question for me last month during a meeting at the headquarters of the United States Conference of Catholic Bishops (USCCB) in Washington, D.C. Our committee was presented with the results of a large national survey of thousands of priests across the country. One question asked, "Out of all the issues in the world, which one most needs to be addressed by our Church?" The number one response from priests nationwide was clear: passing the faith on to the next generation.

The statistician went on to explain that this does not mean priests consider the other issues unimportant. Rather, they recognize that if we do not have people in the pews, if this generation and the next are not alive in their faith and participating in the life of the Church, then all of those other issues will eventually lose their voice in the Church. We first need to form disciples who are rooted in Christ, so that they in turn can carry the mission forward and address these other urgent concerns with faith and courage.

This is why MAKE! is so important. It is not just another document, and it is certainly not meant to sit

on a shelf and collect dust. It is a living invitation to every Catholic in our diocese to move from simply managing decline to boldly embracing mission. We all want to belong to a Church that is alive, thriving, and centered on the salvation of souls. That future depends on how seriously we take this call to be made into disciples so that we can go out and make disciples.

The letter offers a clear path: conversion, confession, communion, commission, all held together by prayer. These are not abstract concepts but real, concrete steps that anyone can begin today. I both invite and urge you to read the letter. And then read it again. Pray over it, discuss it with your family, your friends, or a group in your parish. Choose one small action and begin.

If each of us takes this seriously, with the guidance of the Holy Spirit, the Diocese of Joliet can become a Church on fire with love for Jesus. Boldly, I want our diocese to be the most evangelizing diocese in the country, not out of competition, but because I love Jesus, and I want you to love Him and be saved through Him too. This is our time, and this is our mission. Let us first be disciples, men and women of all ages who know, love, and serve Jesus, so that together we can go out with joy and courage to MAKE disciples, starting now.
