

## Information Webinar

Tuesday 10th  
September 2024

12:30pm - 13:30pm

# Are you ready to help inspire your future care home workforce?

We're looking for nursing homes with an interest in becoming placement providers for student nurses.

You'll discover all the benefits and support we can offer your home, and learn more about the process too. Nursing homes perform incredible and rewarding work with excellent career opportunities. Together let's inspire your future workforce so we can keep caring for those that once cared for us.
