

Get Ready for the NAPA Activity Show

A Must-Attend Event for All Activity Providers and Care Professionals!

Are you passionate about enhancing the lives of the people you support through engaging, creative, and meaningful activities? Do you strive to stay ahead of the curve with the latest trends, tools and techniques in activity provision for care settings? If so, the NAPA Activity Shows are events you cannot miss!

Whether you're an Activity Provider, part of a care team or simply dedicated to the wellbeing of others, this series of dynamic, hands-on events has been designed with you in mind. Get ready to be inspired, to learn and to leave equipped with brand-new ideas that will elevate your work to new heights.

Why Attend the NAPA Activity Show?

The NAPA Activity Shows are not your average events—they are an immersive experience, packed with opportunities to grow both personally and professionally.

Interactive Demonstrations

Don't just hear about the latest tools—try them out! Participate in interactive demonstrations where you can experience firsthand how different products work. Whether it's testing out sensory tools or exploring new digital platforms for resident engagement, you'll walk away with a clear understanding of how these innovations can transform your care setting.

Masterclasses with Industry Experts

Gain practical insights from seasoned professionals who are at the forefront of activity provision. The masterclasses are hands-on, offering step-by-step guidance on activity planning, engagement strategies and creative ideas that you can immediately apply to your work. Whether you're new to the field or an experienced provider, these sessions will spark your creativity and refine your skills.
