The NHS Long Term Workforce Plan (2023) sets out an ambitious 15-year plan to ensure that the NHS has the workforce it needs for the future. There is a need to ensure a future pipeline for the health and social care workforce.

This event provides an exciting opportunity to develop our understanding of T Level and Higher Technical Qualifications (HTQ) and to identify how we can support the delivery of these programmes to provide the pipeline of future health and social care professionals in the region. The event will also provide a unique opportunity for you to network, collaborate and explore the realms of T Level and other technical qualification placements.

Who Should Attend:

- College Administrators and Educators
- Placement Coordinators from NHS and non-NHS settings
- University Administrators and Educators
- Career Counsellors
- Education Technology Providers
- Anyone passionate about enhancing educational and placement opportunities for technical qualifications.

Don't miss the chance to be part of a transformative event that can help us to support the development of a health and social care workforce in the region that is fit for the future.
