Executive Director's Message

At DUSC, Everyone Matters

At Downtown United Soccer Club (DUSC), we are united by a shared belief: every player, no matter their level, deserves to feel valued, supported, and inspired. Whether you're part of our elite teams competing at the highest levels or playing for fun and connection in our community programming, your place here matters.

This past year, through the hard work of our players, coaches, and staff, we were proud to earn eligibility and an invitation to join MLS NEXT and Girls Academy League (GA) for the 2024/25 season. These platforms further expand our ability to offer high-level soccer opportunities to players in their local communities—eliminating the need for long-distance travel to practice and play. This milestone aligns perfectly with our core principle of “Soccer for All”, ensuring that talent and ambition can flourish right here at home.

We take immense pride in the achievements of our players—those who have represented their country, played for youth national teams, gone on to play professionally, or continued their soccer journeys in college. For these athletes striving to raise the ceiling of their possibilities, we are committed to providing the best coaches, ample field space, and a safe, challenging environment where dreams are pursued and achieved.

At the same time, we celebrate the young players who show up at Pier 40 for their very first soccer experiences—whether it's learning the basics at our summer camp, joining friends in our recreational league, or simply falling in love with the game.

Our mission remains clear: to ensure that every child, regardless of background or ability, has access to soccer and the chance to grow on and off the field. Success at DUSC is about more than goals scored—it’s about friendships built, lessons learned, and personal growth achieved.

Together, we are more than a club—we are a community where everyone contributes, every journey matters, and every child belongs. Thank you for being part of this incredible journey as we continue to strive, grow, and raise the ceiling of possibilities for all.

Kevin McCarthy
Executive Director

Mission & Vision

Our Mission

At Downtown United Soccer Club (DUSC), a 501(c)(3) not-for-profit organization, our purpose is to educate, train, and inspire youth soccer players of all ages and abilities. We are committed to creating a positive, respectful, and supportive environment where every player can thrive. We aim to foster a diverse community that mirrors the vibrancy of New York City, where children develop a lifelong love for soccer and grow into their fullest potential—both as athletes and as individuals.

Our Vision

Our vision is to deliver a world-class youth soccer experience that extends beyond the field. We aspire to provide:

- **Exceptional soccer education** that empowers players, parents, and staff.
- **State-of-the-art facilities**—both outdoor and indoor—that inspire excellence and serve as community hubs for collaboration and learning.
- A program that is **accessible and affordable to all**, supported by sustainable funding, ensuring that every child has the opportunity to succeed.

By combining passion, dedication, and innovation, we are shaping a future where soccer unites, enriches, and uplifts our community.

Our Core Principles

1. Put the best interest of players first by emphasizing individual long-term development.

2. Provide the proper environment to learn important life skills through the sport of soccer.

3. Include all members of our community.

The DUSC Way

Our Player Development Philosophy

DUSC is committed to providing pathways in soccer that maximize the long-term individual **Development** of our players. With programs that are available **Universally** to players of all ages, abilities and speeds of development, that are designed to create **Successful** players on and off the field. By focusing on key **Character** strengths such as integrity, positive attitude, teamwork, and determination. Creating a **Winning** mindset — over the long term and not focused on individual games — while retaining the joy, excitement and happiness that comes from simply playing the game. With an emphasis on an **Attacking**, possession-oriented style of play that is positive and progressive. DUSC seeks to empower the diverse **Youth** soccer players of NYC to continue to develop as self-driven, imaginative and intelligent players and people long after their time at DUSC.

Soccer For All

A Community Commitment

One of DUSC's core principles, shared by our players, volunteers, coaching staff, Administration and Board is "Soccer for All." This commitment is brought to life through initiatives and opportunities such as:

- **Scholarship programs** that ensure financial barriers do not hinder participation.
- **Inclusive leagues and events** welcoming players of all abilities and experience levels.
- **Community outreach efforts** that engage underserved neighborhoods.
- **Diverse representation** across all facets of the club, fostering a culture of equity and belonging.

At DUSC, soccer is more than a sport—it is a unifying force that empowers and connects our community.

Downtown United Soccer Club

Our Programs offer a wide range of opportunities for all ages and skill levels. We provide a place to enjoy soccer, regardless of one's level of play or ability to pay.

Classes

Recreation League

Summer Camps

Academy

Classes

DUSC Classes are designed to introduce the game in a fun, non-competitive way to our players while ensuring a safe environment to build fundamental soccer skills and a deep appreciation for the sport. Led by our professional coaches, classes are fun and simple, yet engaging and challenging enough where our players learn soccer skills at their own pace. The program's small instructor-to-player ratio helps maximize individual development and leads to consistent improvement for our players and their technical skills after every season.

Camps

Summer Camps focus on creating a joyful and developmental soccer experience. At our Pier 40 camp, our professional coaches strive to maintain a positive environment where fun and improvement goes hand in hand. We also offer Advanced camps and Residential camps for Academy level players where there is a greater emphasis on individual player technical and tactical growth. Advanced camps will feature Academy Directors and coaches from our MLS NEXT and Girl's Academy League staff. This includes our players once again attending Residential camp at Golden Goal.

Recreation League

The DUSC Recreation League is a foundational pathway towards fun competition in a team or group setting; it is a great place for families to start before investing resources into higher levels of competitive soccer. DUSC also now offers Rec League opportunities throughout our Fall, Winter and Spring seasons.

A unique and invaluable aspect of the Recreation League is the active involvement of Volunteer Parent Coaches. While DUSC staff supervises every session to ensure quality and consistency, it is the dedication and enthusiasm of parent volunteers that infuse the league with community spirit and a shared passion for the game. By volunteering, parents play a key role in shaping a meaningful and memorable soccer experience for every child in the league.
