TTA Board Meeting Minutes

Vision Statement: The vision of Think Through Academy is to empower new generation learners to become collaborative, critical thinkers equipped for lifelong learning in an increasingly global community.

Mission Statement: The mission of Think Through Academy is to equip learners with the 21st century skills necessary for success within and beyond school, through a highly effective and differentiated curriculum delivered by an effective instructional staff within a collaborative environment.

Core Values: TTA’s staff and students will adhere to five core values which will ensure student success while in school and later in college, career and life.

1. Trustworthiness: Trust is highly valued within the TTA community. Because staff and students are trustworthy, they are reliable, dependable and support each other.
2. Team-oriented: TTA’s staff and students communicate and collaborate with each other in a respectful and supportive manner. As a unified team, they pitch in to help each other. As solutions-oriented team members, they are problem-solvers, not problem-dwellers, problem- blamers, or problem-avoiders.
3. Tenacity: TTA’s staff and students are persistent and determined to succeed. Tenacity is critical for our learners, many of whom will need to persevere in order to break out of the circle of poverty and realize their dreams of financial stability and productive community life.
4. Thoughtfulness: TTA’s staff and students are reflective and contemplative problem solvers. Students are taught to be critical thinkers who think deeply before making academic and life choices.
5. Talent: Every child has a unique talent which needs to be nurtured. TTA provides opportunities for students to discover their talents and use them to excel academically and socially.

Culture: Create a collaborative, respectful, and trusting culture for TTA students, parents and staff that ensure success for all.
