Mission Statement:

In a partnership of family, school and community, our mission is to **educate**, **challenge** and **inspire** each individual to excel and become a contributing member of society.

2026-2027 Board of Education Goals:

1. By June 2027, the Thomaston Board of Education will adopt a districtwide curriculum alignment policy requiring that all English Language Arts (ELA) curriculum documents in grades PreK–12 explicitly identify connections to the Portrait of a Graduate (POG) competencies, as evidenced by formally approved curriculum maps that include POG indicators and a documented review process.
 2. By June 2027, the Thomaston Board of Education will adopt a family-school communication policy that streamlines districtwide messaging practices as evidenced by published protocols and parent school climate survey results.
