

A vibrant watercolor illustration featuring a variety of fruits and a cocktail glass. At the top, there's a bunch of green leaves and a red strawberry. To the right is a whole orange. In the center, a large, colorful splash of orange and red watercolor dominates the middle section. Below this, a martini glass filled with red liquid is shown, garnished with a slice of orange and a sprig of red berries. To the right of the glass is a whole green lime. The background is white, making the colorful watercolor elements stand out.
