## IGNITE- What is it?

IGNITE is a ministry for anyone in 6<sup>th</sup>-12<sup>th</sup> grade! You don't need to be a part of Cedarbrook Church to come, so BRING YOUR FRIENDS!

IGNITE exists to equip young people to develop a deeper relationship with Christ while creating a space where relationships with other Christians can be created, uplifted, and encourage. We desire to help students discover that their best life is found in and through Jesus!

With school back in session, we're excited to kick off a BRAND-NEW year of IGNITE together! If you've never been to a Wednesday night during the school year, you NEED to come check it out!

LOVE GOD, LOVE OTHERS, LOVE LIFE

## IGNITE INVADES

Every so often, we like to shake things up! On an INVADES night, we board a couple of buses and basically take over an establishment in the community. These nights are wonderful relationship-building nights where students are often more likely to invite a friend because it could simply be a long-distance ice cream run, a corn maze, roller skating or sledding & hot chocolate, etc. Perfect for new students!

## SERVE NIGHTS

Serving and loving people was a huge part of Jesus' ministry, and we believe it should be the same for us.. On serve nights, we focus on loving & serving people by partnering with different organizations in order to provide students with the opportunity to look outside of themselves and humbly serve those in need around them. Because these nights are all about giving, they are a perfect night to invite a friend!

## EXPERIENCE NIGHTS

At least once a semester, we like adapt the format of the night to deepen the student experience. . Experience nights use music, drama, and interactive activities to cultivate a space where students can connect with God in a different way.

## IGNITE FALL RETREAT @ BLUEWATER (Oct 19-22)
