**A Message from Archbishop Henning, Bishop McManus, Bishop da Cunha, and Bishop Byrne for the
Clergy, Religious, and Lay Faithful of Massachusetts**

In June during his Apostolic Visit to Spain, our Holy Father Pope Leo XIV delivered an appeal to defend human dignity and protect life from conception to its natural end. “Every legislative task,” he said, “ultimately confronts a decisive question: what conception of the human person inspires laws, and what kind of society do those laws build?”

Just two months after the Holy Father’s address, Massachusetts passed one of the most expansive and permissive abortion laws in the nation, telling us what kind of society they desire for Massachusetts: one which leaves its most vulnerable citizens—children in the womb and their pregnant mothers—at perilous risk. This law is a tragedy, and the Catholic legislators who helped to enact it have caused grave scandal.

The Prioritizing Patient Access to Care Act permits abortion throughout pregnancy for any reason, and it allows these grisly procedures—dangerous to mothers and cruel to their unborn children— to be performed in non-hospital settings. Laws function as teachers. This new law falsely teaches that human beings who are ill or inconvenient are not worthy of life; that motherhood can be incompatible with women’s freedom, well-being, and flourishing; and that no viable alternatives to abortion exist in the face of difficult diagnoses.

Alternatives do exist. A 2023 peer-reviewed article published in the *Cureus Journal of Medical Science* found that 60% of women considering an abortion would choose life if they had more material and emotional support. We want to help women and families to choose life! We invite every expectant mother in distress to ask us for help. We ask that elected officials and healthcare providers—especially those whose consciences are rightly troubled by the new law—work to ensure that life-sustaining care for vulnerable children in utero and that mothers and fathers who feel alone and overwhelmed have all they need to welcome and raise their children with confidence.

The Lord Jesus Christ saw the forgotten and reached out to the neglected. As Bishops, we call upon all to see the dignity of the poor, the unborn, the sick and the elderly. No one is expendable, no one is a burden. All have a sacred God-given dignity. The foundation of social justice is this inviolable dignity of the human person. The Prioritizing Patient Access to Care Act unjustly condemns to death our most vulnerable children and pits a mother against her own child.

In his Encyclical *Magnifica Humanitas*, Pope Leo teaches: “Human dignity does not depend on a person’s abilities, wealth or position in life, nor on the right or wrong choices made; instead, it is a gift that precedes and transcends each person, endowed by God as an expression of his unfailing love,” There is no stage of development or characteristic which would render a child unworthy of life—even if that life will be short or require palliative care.

May Our Lord Jesus Christ protect us all from harm, may He inspire us with self-giving love, and may He guide our civil leaders to enact laws which protect and promote the dignity of every person from conception to natural death.

What Can We Do?

Each year, Respect Life Month offers the opportunity to renew our reverence for life and take concrete actions to witness to the beauty and sanctity of this foundational gift of the Lord. Here are some of the concrete actions you might consider this year:

We Pray. First and foremost, we pray. With the passage of this bill our leaders and our Commonwealth have failed in the duty to uphold the sacred dignity of every human life. In prayer, we seek the mercy of a loving God for our failures and for this sin against His Law of Love. We pray for our civil leaders that the Lord will give them wisdom and strength to do their duty to protect life and uphold the common good.

We Witness. As disciples, we are also called to give witness. We urge you to contact your representatives and make known your desire for just laws which protect every person in this state.

We speak up There is also an effort underway to pause and even possibly overturn this immoral law. We encourage you to take part in this effort and raise your own voice in opposition to the law and in favor of life.

We walk with families Scripture commands us “Choose life that you may live” (Deut. 30:19) A culture of life requires families, parishes, and schools to live that reverence for life. We need families who form their sons and daughters in the summons to promote and defend life. We need ministries that accompany and support women and families in crisis. In our state with such a radical law, it is more important than ever for us to make clear our desire to welcome and nurture the gift of life.

By Dr. Scott Hahn
Living on the Vine

ST. PAUL CENTER
FOR BIBLICAL THEOLOGY

In today's Gospel Jesus returns to the Old Testament symbol of the vineyard to teach about Israel, the Church, and the kingdom of God.

And the symbolism of today's First Reading and Psalm is readily understood. God is the owner and the house of Israel is the vineyard. A cherished vine, Israel was plucked from Egypt and transplanted in a fertile land specially spaded and prepared by God, hedged about by the city walls of Jerusalem, watched over by the towering Temple. But the vineyard produced no good grapes for the wine, a symbol for the holy lives God wanted for His people. So, God allowed His vineyard to be overrun by foreign invaders, as Isaiah foresees in the First Reading.

Jesus picks up the story where Isaiah leaves off, even using Isaiah's words to describe the vineyard's wine press, hedge, and watchtower. Israel's religious leaders, the tenants in His parable, have learned nothing from Isaiah or Israel's past. Instead of producing good fruits, they've killed the owner's servants, the prophets sent to gather the harvest of faithful souls.

In a dark foreshadowing of His own crucifixion outside Jerusalem, Jesus says the tenants' final outrage will be to seize the owner's son, and to kill him outside the vineyard walls.

For this, the vineyard, which Jesus calls the kingdom of God, will be taken away and given to new tenants - the leaders of the Church, who will produce its fruit.

We are each a vine in the Lord's vineyard, grafted onto the true vine of Christ (see John 15:1-8), called to bear fruits of the righteousness in Him (see Philippians 1:11), and to be the "first fruits" of a new creation (see James 1:18).

We need to take care that we don't let ourselves be overgrown with the thorns and briars of worldly anxiety. As today's Epistle advises, we need to fill our hearts and minds with noble intentions and virtuous deeds, rejoicing always that the Lord is near.

SIGN THE PETITION !

The recently enacted Massachusetts abortion/infanticide law allows the destruction of babies in the womb up until birth and removes safeguards that had been in place for pregnant women. For example, where formerly the law had required that late-term abortions be performed in hospitals, that safeguard has been removed.

We need to repeal this horrendous law!

Please stop and sign the petition sheets that are being presented by pro-life volunteers following the 8 am daily Mass on Wednesday, October 7 and all Masses the weekend of October 10 and 11. With enough signatures, the matter will go on the ballot, enabling us, the people, to vote to repeal this law.

This week's recommendation is

PADRE PIO: Miracle Man

This movie captures the Capuchin friar's intense faith, devotion, and deep spiritual concern for others, as well as his great compassion for the sick and suffering. It reveals the amazing details and events in Padre Pio's life as a boy and throughout his fifty years as a friar, dramatizing the frequent attacks from the devil, as well as the persecution he suffered at the hands of people, including those in the Church.

(We recommend Parental Guidance and that parents preview it before watching with children.)
