Mr. Delmano Mitchell
Principal

Dr. Megan Smith
Assistant Principal

What is a School-Parent Compact?

A School-Parent Compact is an agreement that parents, students, and teachers develop together. It explains how parents and teachers will work together to make sure all our students reach grade-level standards.

Effective Compacts:

- Link to goals of the school improvement plan
- Focus on student learning skills
- Describe how teachers will help students develop those skills using high-quality instruction
- Share strategies parents can use at home
- Explain how teachers and parents will communicate about student progress
- Describe opportunities for parents to volunteer, observe, and participate in the classroom

Jointly Developed

The parents, students, and staff of Todd-Grant Elementary School developed this School-Parent Compact. Parents were involved through the TGE School Council, surveys, parent/teacher conferences, and the school website.

This compact is uniquely developed to meet the needs and goals of our school and students. Parents are welcome to contribute comments at any time during the year.

Building Partnerships

Spend time reading to and with your child. Let your child read recipes, signs, cereal boxes, and more to you.

Encourage your child to count money and objects, measure halves and quarters, and identify shapes.

Communications about Student Learning

Todd-Grant Elementary School is committed to frequent two-way communication with families about children's learning. Some of the ways that you can expect us to reach you are:

- Tuesday folders
- Parent-Teacher Conferences
- Agendas
- Progress Reports every 4 ½ weeks
- Semester Report Cards
- Infinite Campus
- Monthly Newsletters
- Parent Square
- Social Media
- School Website

Grade Level Expectations

Student learning will be focused on the following areas:

- Phonics Instruction (K-3)
- Building fluency in CVC words (K)
- Increasing Lexile levels, fluency, and vocabulary development (K-5)
- Integrating writing through all core content areas (K-5)
- Citing Textual Evidence (1-5)
- Building Math Fluencies (K-5)

If you have questions about your child's education or progress, please do not hesitate to contact your child's teacher by phone: (912) 437-6675 or e-mail.

District Goals

The Board of Education sets goals for the entire district. The district goals for 2026-2027 are:

Increase the percentage of students achieving **Proficient (Level 3)** and **Distinguished (Level 4)** by **8 percentage points** in tested subjects.

Increase the percentage of students achieving **Level 4 (Distinguished Learner)** by **4 percentage points** in tested subjects.

School Goals

Todd-Grant Elementary School goals for grades 3-5 are the same as the district goals.

Kindergarten – 2nd Grade Goals

Increase the percentage of students scoring at or above grade level in K-2 on **STAR Reading** by **3%** from fall to spring.

Increase the percentage of students scoring at or above grade level on **STAR MATH** by **3%** from fall to spring/

Visible Learning School Goal

By the end of 2026–2027, 70% of students will demonstrate assessment-capable learner characteristics, measured through interviews and walkthroughs.

Teachers, Parents, and Students – Together for Success

In Our Classrooms

Teachers will work with students and their families to support students' success in reading and math. Some of the key connections with families will be:

- Provide parents with sight words and strategies to make learning sight words fun
- Our monthly newsletter will feature games that families can play to review the vocabulary words we have introduced in our classroom, upcoming topics of study, questions that can be used to check/monitor comprehension of library books
- Our school webpage and Google Sites have links to family friendly websites for building vocabulary and math skills

At Home

Todd-Grant parents joined staff to develop ideas about how families can support students' success in reading and math. Families may have other ideas to add to this list:

- Check your child's agenda every day.
- Ask your child questions about the books they are reading.
- Look for the class newsletter each month and play word games with the vocabulary words and find new ways to use these words in family conversations.
- Check out the school webpage and visit the links for building vocabulary and math skills.

Todd-Grant Elementary School Student Responsibilities

Todd-Grant Elementary students join staff and parents to develop ideas about how they can succeed in school and reach for the stars in math and reading. Todd-Grant students will be **Ready**, **Respectful**, and **Responsible** to ensure their success as a Todd-Grant Elementary School student.

- Bring agenda home and to school daily.
- Bring home monthly newsletter.
- Read for 20 minutes each night and answer questions about the book to check for understanding.
- Practice Math fact
- Go to links listed on the school webpage to practice skills learned.

“Partnering together for student success.”
