

OPERATION GROCERY KART

FROM WAYNE STRUTHERS

I want to take time to **THANK** all of you that have donated to Operation Grocery Kart. It is a great feeling to be able to help the less fortunate people in our community. The need is out there, no one has not accepted our help. **Way to go ST. DAVID'S!** I have heard how respected you are for your generosity towards Woodstock. I hope that we can keep this worthwhile project rolling on.

Starting April 1, 2026, our donations will be going to DASO (Domestic Abuse Services Oxford). A list of their most requested non-perishable items are: Juice boxes, school snacks, instant oatmeal packets, salad dressing, sauces, dips, bouillon, canned/jar tomatoes, paper towels, toilet paper, Kleenex, personal hygiene items, laundry soap, dryer sheets, cup of soups, kraft dinner cups, Mr. Noodles, Chef Boyardee, Alphagetti, and ready to eat soups.

For those who may want to think ahead to May, we will be supporting **Camp Bimini** by collecting gift cards for them. They are requesting the following: Dollarama, Canadian Tire, Home Hardware, Staples, Sobeys, Zehrs and Walmart gift cards. I'm hoping that this will not interfere with our non-perishable food donations for the people in need within Woodstock.

CAMP BIMINI gift cards will begin in May.
