County Fair Traditions

FOR AMERICA'S BIG BIRTHDAY

July 14th - 19th 2026

Fairbook Dedication

The Montgomery County Fair is honored to dedicate the 2026 Fairbook to

9/9/1929 - 9/7/2025

Donald Aukerman

Mr. Donald Aukerman was a proud husband and father who dedicated his life to his family, farming and to his community. His grain farm and farrow-to-finish hog operation kept him busy, but he still had time to serve as Clay Township Trustee, on the Ohio Pork Council and his most proud position as a member of the Montgomery County Fair Board. Don gave over 20 years of service to the fair board and worked tirelessly to support the 4-H program and other happenings at the fair. You would see him on his golf cart from early morning to late evening ensuring operations were running as planned.

Don was married to his wife Norma (O'Dell) for 69 years and has 2 daughters. Both girls grew up helping on the farm and participated in 4-H for many years. Don and Norma were blessed with 5 grandchildren prior to their passing. Don's legacy lives on through his daughters and his farm. He will be remembered by those lives he touched and would be so honored to be receiving this recognition.

Exhibitors and Families Please Read

- There will be no multi-buyer card this year. Live lots will be bought by 1 buyer in the live sale.
- The live auction will limit the number of buyers of an animal to no more than 2. The cost will be divided evenly between the 2 buyers.
- Each market exhibitor will be able to go through the sale ring one time per species they exhibit. The exception to this would be if they exhibit an Overall Grand or Reserve Champion Market Animal. If that exhibitor has more than one animal of that species, they will be able to be in both the Sale of Champions and the live auction.
- Each lot sold through the sale will be subject to a 4% commission.
- Participation in the live sale will cost \$20 per time the exhibitor enters the sale ring. This cost will be paid by the Junior Livestock Committee.
- Breeding livestock exhibitors (including dairy exhibitors) will be able to have a lot online for add-on money. These exhibitors will be subject to 4% commission. There is a \$14 fee to participate only in the online portion of the sale. That fee will be paid by the Junior Livestock Committee.
- The online add-on portion of the sale will open at 3 PM on Friday after the live auctions.
- Exhibitors participating in the online add-on sale will have one total lot for all of their livestock and breeding projects.
- Buyers who participate in the live auction and the online add-on sale will receive 2 invoices, 1 for each sale.
- Sales are an optional part of any livestock project. Per Ohio 4-H, participation in a sale is not necessary for a project to be considered completed. A project is considered completed when the animal is exhibited.
- The Sale of Champions will be directed by the Sale of Champions Committee.
- The Sale of Champions will allow for a group of buyers to form a group larger than 2 for the purchase of those animals. The group will need to have 1 buyer responsible for bidding and collection of all monies. All buyers in that group will be recognized at the auction at the time they place their winning bid.
- All Champion Animals will go to slaughter and will not be available for processing.
