Dear Montgomery County Fair Supporter,

The Montgomery County Agricultural Society is excited to announce our **2027 Sponsorship Campaign for the Montgomery County Fair.**

The Montgomery County Fair is a long-standing tradition that brings together families, businesses, farmers, volunteers, and community organizations from throughout our area. More importantly, the Fair provides an opportunity for our young people to learn, compete, lead, and showcase the skills they have developed through **4-H, FFA, and other agricultural, and educational programs.**

Your support helps make these opportunities possible.

Sponsorship dollars directly contribute to the success of the Fair and the programs that make it such an important part of our community. By becoming a 2027 sponsor, your business or organization will help us continue providing educational experiences, youth activities, agricultural programming, entertainment, and a welcoming event for families throughout Montgomery County.

We offer a variety of sponsorship opportunities designed to accommodate businesses and organizations of all sizes. Sponsorship benefits may include recognition through Fair advertising and promotional materials, signage, digital and social media exposure, Fair Book recognition, and on-site recognition during Fair week.

We sincerely appreciate the businesses and individuals who have supported the Montgomery County Fair in the past. Your generosity has helped preserve this important community tradition and has allowed us to continue investing in the next generation.

We invite you to **continue your partnership with us—or become a new sponsor for 2027.** Your investment in the Montgomery County Fair is an investment in our youth, our agricultural heritage, and the future of our community.

Thank you for considering a 2027 sponsorship and for helping us make the Montgomery County Fair a success. We are grateful for your continued support of the Montgomery County Agricultural Society.

Thank you again for your support,
The Montgomery County Agricultural Society
