WAYS TO HELP

Give Where Needed Most

Be an essential part of our success every year by making an unrestricted gift that supports Building Blocks for Kids and our core programs. In ways big and small, BB4K improves the quality of life for children with a variety of needs and provides hope, support, and possibilities to the children and their families. **Consider making your gift a monthly contribution.**

Sponsor an Event or Become an Annual Event Sponsor

With events making up 45% of our income, we are always looking for partners for each event and annual partners that can pick and choose from a variety of sponsorship opportunities.

Give a Matched Gift

One of the easiest ways to increase your gift to Building Blocks for Kids is by giving it through your employers matching gift program. To match your gift contact your human resources office to find out their matching gift policy.

Adopt a Child's Need

Choose from one of our BB4K kids waiting for assistance and give directly to them. Consider a fundraising campaign, small event, or other way to raise funds. 100% of your donation will go directly to meeting that child's need.

Honor Someone

Express your support, respect, gratitude, or love for a special person in your life with a tribute gift to Building Blocks for Kids. A charitable donation in lieu of purchased gift is a lasting way to honor friends and family.

Gift Stock

Appreciated stocks and bonds are a popular way of giving to Building Blocks for Kids. This is because they are simple gifts and can offer you a greater tax benefit than you would have with a tax equivalent.

Kroger Rewards

Make your shopping go to a good cause by connecting your Amazon Kroger Rewards account to Building Blocks for Kids.

Volunteer

Give your time and talent to Building Blocks for Kids. We have many volunteer opportunities for both events and event planning as well as office and other needs.
