

CHOOSING THE RIGHT BALL FOR YOU.

UNDERSTANDING OUR FOOTBALL GRADES

From promotional giveaways to high-performance match play - choose the construction and specification that best suits your needs.

01 PROMOTIONAL GRADE

Best for: Promotions, giveaways & light recreational play

Construction: 2-layer PVC-free synthetic leather

Manufacture: Machine sewn

Guide weight: 260-290g per ball

Sizes: Mini Size 0 through to Full Size 5

A cost-effective custom printed football designed primarily for promotional campaigns, branded giveaways and lighter recreational use.

02 RECREATIONAL GRADE

Best for: Recreational Play & Retail Souvenirs

Construction: 3 layers of synthetic leather with foam layer for premium feel.

Manufacture: Machine sewn. 360-390g weight per ball.

Sizes: Official Sizes 3-5

Stronger and heavier than our Promotional Grade, providing a more substantial feel and improved durability for regular recreational use and souvenir retail.

03 TRAINING GRADE

Best for: Club training and match-ready grassroots play

Construction: 3-ply Textured TPU synthetic

Standard: Manufactured to IMS (International Match Standard) specification - 410-440g weight.

Bladder: Thread-wound bladder fitted as standard for excellent shape and air retention

Manufactured using high-quality materials to FIFA-standard specifications. Our Training Grade balls are designed to be match ready and can be used at all levels of the game.

04 MATCH GRADE - Size 3,4 & 5

Best for: Competitive match play & premium club use

Construction: 4-layer premium construction - 410-440g weight per ball.

Outer: Textured TPU or PU synthetics for durability and performance

Performance: Designed for excellent balance, shape and consistent play

Seams: Weatherproofed as standard

Options: Hybrid construction and Thermobond balls available at additional cost

Our highest football grade, engineered to meet the demanding standards expected from a quality match ball.
