

Prepare for Year-End and Processing 1099s in Dynamics GP

[Contact Dexpro](#) for assistance with year-end close in Dynamics GP as well as understanding all of your options for processing compliant 1099 forms.

The latest release of Dynamics GP is version 18.6 YE and includes the following:

- Blank Paper Printing: Print all Payables 1099 forms on blank paper for easier verification and vendor deliveries.
- Improved Formatting: Year-End Wage Report now includes commas for better readability.
- Streamlined 1099-NEC Printing: Continue printing 1099-NEC forms with boxes and lines on blank paper.
