## 4 Things Dynamics GP Users Must Do Now to Prepare to Move to Dynamics 365 Business Central Later

It's that time of year again...As we are quickly approaching Q1 of 2024, we recommend considering a three-to-five-year plan for your ERP system. You have the freedom to choose when moving to Business Central makes the most sense for your business. However, even if you are not making any changes now, you should still be discussing your options and laying the groundwork.
