

Just Released: Full List of New Features in Dynamics GP Version 2018.6

Microsoft has just shared the full list of new features and item fixes in the Dynamics GP 18.6 release. The October 2023 update incorporates new features requested by GP customers throughout the system. Check out our latest blog to review the additional functionality included in this release.

Keep an eye out for Microsoft's Dynamics GP Year-End Update coming soon. We know most clients only do year-end close once each year, so if you need help remembering the process or would prefer to have Dexpro perform YE close for you, we are happy to help.
