Tax-exempt status

Operation Firing for Effect Inc. is a charitable organization exempt under 501(c)(3) and is eligible

to receive tax-deductible contributions under Code section 170.

Operation Firing for Effect deals with issues impacting veterans, government services, and programs. OFFE may give their opinions concerning Veterans and their problems with a touch

on political subjects. OFFE does not endorse any political party, candidate, or religious denomination.

Operation Firing for Effect provides:

- Information
  - Direction and support to veterans
  - Directing them towards appropriate trained and licensed professionals
- At no time does OFFE provide legal advice, enter in a legal relationship, or establish a client relationship with individual veterans.

Operation Firing For Effect Taskforce Network mission is to:

- Draw public awareness and media attention to serious problems facing our former military personnel and their families.
- Send a message to our Congress and Senate demanding Veterans Affairs issues take precedence over special interest issues.
- Convey the message to our deployed troops that we support them, and they can count on us to fight for the protection of their earned benefits and services.
- Improve the state of Veterans Affairs in this country to increase enlistment and improve retention in the United States military.

- provide our former military personnel and their families a voice in matters that affect them.
