LEON TENNIS

Owner Roberto Leon and his son Ricardo have developed an outstanding teaching program for adults and juniors. Their expertise, enthusiasm and sense of humor make tennis fun for the frustrated beginner and challenging for the advanced player. Their love for tennis is apparent at all levels and their enthusiasm is contagious. Enjoy playing either indoors or outdoors.

Greenwich Racquet Club, well located next to the water in Cos Cob, boasts four newly resurfaced indoor air conditioned courts.

Wire Mill Racquet Club, in beautiful North Stamford, conveniently located near Exit 35 off the Merritt Parkway, features four meticulously maintained outdoor red clay courts. The club is home to two women's teams and one men's team that compete in the Fairfield County Tennis League.

Both clubs rent tennis courts by the season, by the hour or for private parties.
