

Christian Service Hours Tracking Form

Christian Service is defined as charitable activities that have an impact in meeting the needs of the Church and your neighbor and that allow people to help others by sharing their time and talents. Any service performed should be voluntary and you should not receive monetary compensation for your service, i.e., you are not getting paid. Please have an adult supervisor sign off on any service performed.

Please take this form with you, obtain the signature after each project is finished, and keep track of your hours.
